Human Heritage Miriam Greenblatt 2001 A world history textbook chronicling the rise of Western and Eastern civilizations. Includes photos, art, illustrated charts, vocabulary exercises, and review questions.

The Story of the World: History for the Classical Child: The Middle Ages: Tests and Answer Key (Vol. 2) (Story of the World) Susan Wise Bauer 2007-09-17 History has been taught in a boring way for far too long. A subject as moving and powerful as humanity's past should be inviting, and when it is told well, it is. Susan Wise Bauer succeeds in telling the captivating story of history with her best-selling history series. Parents and young readers have fallen in love with her narrative history, *The Story of the World*, and its accompanying Activity Book. Now teachers and home educators can take advantage of a new and valuable learning tool: the Tests and Answer Key package. Included are 42 tests: one for each chapter of *The Story of the World*. Perfect for evaluating comprehension and retention. The narrative format of *The Story of the World* helps children remember the famous people, places, and events in history. These tests offer you an easy way to make sure that your child is absorbing the important events from world history. A combination of multiple choice, matching, fill-in-the-blank, and short writing samples allow you to evaluate your child's retention and comprehension of key events in *The Story of the World*. The Tests package contains an answer key for all tests. These easy-to-use tests and answer keys, successfully used by hundreds of parents and teachers, provide an objective method for measuring retention of key facts, figures, and events from history. A combination of sequencing, matching, short-answer, and essay-style questions gives students a chance to show what they've learned. Used with *The Story of the World Text Book* and *Activity Book* (sold separately), the Test and Answer Key gives educators a complete history curriculum for their elementary school students.

Master the Social Sciences and History CLEP Test Peterson's 2012-04-30 Peterson's Master the Social Sciences and History CLEP Test is the perfect resource to help you ace this CLEP general examination, which tests you on a broad range of topics in U.S. and world history, political science, geography, economics, psychology, sociology, anthropology, and more. In preparation for taking this exam, you will start by taking a 50-question pre-test, which-together with its detailed answer explanations-will help you see which subject areas you need to focus on during your studies. This guide then offers summaries of U.S. and world history topics; comparative politics and U.S. institutions; cultural, physical, and regional geography; a review of economics with a glossary of relevant terminology and major theorists and schools; and a discussion of the thoughts and methods of psychology, sociology, and anthropology. You will practice with review questions and conclude with a 50-question post-test, all of which come with answer explanations for further knowledge retention.
