The history of Don Quixote of the Mancha

Miguel de Cervantes Saavedra 1800

Don Quixote of the Mancha Miguel de Cervantes Saavedra 1998-12 The story of the Spanish knight Don Quixote whose devotion to the tales of chivalry leads him into a series of bizarre adventures in the company of his faithful squire, Sancho Panza, blends fantasy, comedy and gripping narrative in a way that has appealed to children ever since it was first published. All the wisdom and humour of Cervantes' great seventeenth-century classic are to be found in Parry's very readable modern abridgement, enhanced by the delightful illustrations of Walter Crane, one of the greatest of all English children's book illustrators.
