Winning Resumes Matthew Greene 1994 You want the job, but how do you get your resume to stand out from the hundreds of others employers usually get? Writing the old type of "basic" resume just doesn't cut it anymore. It's too vague, too bland, and too lackluster. It won't sell you. Written by a personal expert, this remarkably effective guide shows you how to turn your resume into a mini sales presentation that grabs immediate attention because it offers your best selling points. Whether you are a recent college grad or a midlife career changer, you'll learn how to get a jump on other job applicants with this strategy-packed book that is complete with sample resumes, tips on format, style, and words, phrases, and sentences that sell. There's so much you can copy or adapt!
