Cornelius L. Barker 2004  
Writing Meaningful  
Evaluations---Right Now!! is  
an instrument designed to  
quickly and easily facilitate the  
completion of quality  
performance-based written  
evaluations. The book serves as  
an invaluable aid to not only  
experienced administrators and  
supervisors, but most  
especially to those new to the  
task of conducting written  
evaluation documents. The  
book supplies users with quick  
and efficient variety of tools  
necessary for writing fact-  
filled, performance-based,  
comprehensive, quality teacher  
evaluations. It seeks to  
empower educators in their  
effort to meet goals efficiently  
and expeditiously, pertaining to  
monitoring, assessing, and  
documenting instructional  
performance. This innovative

guide can be used to transpose  
those competencies into the  
universal language of  
education.

**Effective Technology Tools for School Leadership** Leslie Jones 2022-11-23 This book prepares educational leaders

with the knowledge needed to critically evaluate, select, and use technological tools to be effective school leaders.

Authors Jones and Kennedy explore the technology tools needed to support the full range of responsibilities of a school leader, including management and

administration, personnel and evaluation, security and safety, instructional leadership, organizational culture and

climate, external relationships, and action research. Each chapter unpacks advantages and pitfalls of various

technological tools and includes case scenarios that contextualize these ideas for readers. Chapter content is

also aligned with The Professional Standards for Educational Leaders (PSEL),

the National Educational Leadership Preparation

Standards (NELP), and the International Society of Technology Standard in Education (ISTE) standards.

This timely and important book adds to the toolbox for educators preparing to become

effective and cutting-edge school leaders.
