A Christmas Carol - Spotlight Edition

Charles Dickens 2004 An annotated adaptation of Dickens' Classic Christmas tale. Each Spotlight Edition maintains the rich integrity of the original work while adapting the language to be more accessible to the average reader. In addition to providing a more readable text, Prestwick House Spotlight Editions are enhanced, providing readers with thoughtful guided reading questions and margin notes to help navigate the text; suggestions for thought and discussion; research opportunities for richer understanding of the text and its contexts; and suggested writing activities to foster deeper thinking.

Handbook of Research on Science Literacy Integration in Classroom Environments Tai,

Chih-Che 2018-10-12 Secondary schools are continually faced with the task of preparing students for a world that is more connected, advanced, and globalized than ever before. In order to adequately prepare students for their future, educators must provide them with strong reading and writing skills, as well as the ability to understand scientific concepts. The Handbook of Research on Science Literacy Integration in Classroom Environments is a pivotal reference source that provides vital research on the importance of cross-curriculum/discipline connections in improving student understanding and education. While highlighting topics such as curriculum integration, online learning, and instructional coaching, this publication explores practices in teaching students how to analyze and interpret data, as well as reading, writing,

and speaking. This book is ideally designed for teachers, graduate-level students, academicians, instructional designers, administrators, and education researchers seeking current research on science literacy adoption in contemporary classrooms.

Reading Smarter! Patricia Osborn 1995 For secondary reading specialists and English teachers, this resource provides over 200 ready-to-reproduce exercises to introduce and reinforce basic literary and reading concepts and develop essential thinking and interpretive skills with students of varying abilities. Unit topics include: -- The Good Reader in Action -- All Words Are Not Created Equal -- When to Use a Dictionary -- A Meeting of Minds -- The Reader as Reporter -- When Complications Arise -- Coming to Terms with Techniques of Literature - - The Truth in Literature -- Setting & Point of View -- Plot -- Character: The Heart of the Story - - Something to Think About Contains a wealth of exercises and ideas that prepare students for

higher level reading and help them approach reading as a lively art. To be used in conjunction with classroom literature assignments, to introduce a concept or reinforce specific skills, or as an integrated program to focus on students' special needs. Copyright © Libri GmbH. All rights reserved.
