

# Modernity An Introduction To Modern Societies

Modernity is often characterized by comparing modern societies to premodern or postmodern ones, and the understanding of those non-modern social statuses is, again, far from a settled issue. Modernity is a set of social and intellectual processes that began in Europe in the 15th century in the wake of the Renaissance, marking the end of the Middle Ages. Within social theory, the term 'modernity' is most often used to refer to societies that are built on the principles of individual freedom and instrumental mastery. Furthermore, such societies are assumed ... Modernity is defined as a condition of social existence that is significantly different to all past forms of human experience, while modernization refers to the transitional process of moving from "traditional"
