Practical refers to a person, idea, project, etc, as being more concerned with or relevant to practice than theory: he is a very practical person; the idea had no practical application. Definition of practical adjective in Oxford Advanced Learner's Dictionary. Meaning, pronunciation, picture, example sentences, grammar, usage notes, synonyms and more. The meaning of PRACTICAL is of, relating to, or manifested in practice or action : not theoretical or ideal. How to use practical in a sentence. PRACTICAL definition: of or relating to practice or action. See examples of practical used in a sentence. A stapler is a practical object — it has a use. A hand-crocheted stapler cozy designed to keep a stapler warm at night? Not practical at all. Practical refers to something that is focused on actual use or practice, rather

than being abstract or theoretical. It involves or is concerned with actual application, use, or action. Definition of practical. English dictionary and integrated thesaurus for learners, writers, teachers, and students with advanced, intermediate, and beginner levels. Practical refers to a person, idea, project, etc, as being more concerned with or relevant to practice than theory: he is a very practical person; the idea had no practical application. If you say that a person is practical, you mean the person behaves in ways that relate more to the realities of the world than to ideas or desires: You describe people as practical when they make sensible decisions and deal effectively with problems.
