Just a Hat S. Khubiar 2023-07-18 FINALIST FOR THE NATIONAL JEWISH BOOK AWARD; KIRKUS REVIEWS BEST YA HISTORICAL FICTION, 2023; CENTER FOR THE STUDY OF MULTICULTURAL LITERATURE BEST BOOK OF 2023. Action-packed, humorous, and bittersweet, this 1970s-era coming-of-age novel is more relevant than ever—exploring how a second-generation immigrant kid in a new hometown must navigate bullying, unexpected friendships, and the struggle of keeping both feet firmly planted in two very different cultures. It's 1979, and thirteen-year-old Joseph Nissan can't help but notice that small-town Texas has something in common with Revolution-era Iran: an absence of fellow Jews. And in such a small town it seems obvious that a brown kid like him was bound to make friends with Latinos—which is a plus, since his new buds, the Ybarra twins, have his back. But when the Iran hostage crisis, two neighborhood bullies, and the local reverend's beautiful daughter put him in all sorts of danger, Joseph must find new ways to cope at home and at school. As he struggles to trust others and stay true to himself, a fiercely guarded family secret keeps his father at a distance, and even his piano teacher, Miss Eleanor—who is like a grandmother to him—can't always protect him. But Joseph is not alone, and with a little help from his friends, he finds the courage to confront his fears and discovers he can inspire others to find their courage, too. *Just a Hat* is an authentically one-of-a-kind YA debut that fuses the humor of Firoozeh Dumas's *Funny in Farsi* with the poignancy of Daniel Nayeri's *Everything Sad Is Untrue*.

The Light Fantastic Sarah Combs 2016-09-13 Seven interwoven narratives spanning three tense hours on a fateful day share the perspectives of a girl with a rare memory condition, a teacher who fears a student may be planning an act of violence, and a girl about to embark on a cross-country plot.

Breakfast Served Anytime Sarah Combs 2014-04-08 A coming-of-age debut evokes the bittersweet joys and pangs of finding independence in one unforgettable summer away at "geek camp." When Gloria sets out to spend the summer before her senior year at a camp for gifted and talented students, she doesn't know quite what to expect. Fresh from the heartache of losing her grandmother and missing her best friend, Gloria resolves to make the best of her new circumstances. But some things are proving to be more challenging than she expected. Like the series of mysterious clues left by a certain Professor X before he even shows up to teach his class, *Secrets of the Written Word*. Or the very sweet, but very conservative, roommate whose coal-industry family champions mountaintop removal. Not to mention the obnoxious Mason, who dresses like the Mad Hatter and immediately gets on Gloria's nerves — but somehow won't escape her thoughts. Beautifully told by debut author Sarah Combs, this honest and touching story of growing up is imbued with the serene atmosphere of Kentucky's natural landscape.
