Mar 13, 2026 · Calculus, branch of mathematics concerned with instantaneous rates of change and the summation of infinitely many small factors. The word Calculus comes from Latin meaning small stone, because it is like understanding something by looking at small pieces. The text guides students through the core concepts of calculus and helps them understand how those concepts apply to their lives and the world around them. Calculus is the mathematical study of continuous change, and the principal precursor of modern mathematical analysis. Originally called infinitesimal calculus or the calculus of infinitesimals, it has ...
