'Toronto' in Perspective David Hilborn 2001 Was the 'Toronto Blessing' an act of God or just hysteria? This book gathers together essays by evangelicals with different assessments. Religious craze and great revival were the calls and claims made about the phenomenon that hit the church in 1994. The Toronto Blessing was to create a stir in evangelical circles that has lasted to today. Carefully identifying, assessing and cataloging the phenomenon and its effect upon the Church, this report presents thoughts and conclusions to a listening public. In this balanced and sensitive work the background, development and future opportunities that surround this controversial issue are discussed in detail. Part 1 collects reflective essays by six leading commentators on charismatic renewal: David Pawson, Patrick Dixon, Stephen Sizer, Margaret Poloma, Martin Davie and Mark Cartledge. In Part 2, Hilborn draws on the Evangelical Alliance's extensive archive to present a definitive chronicle of the Blessing, from its pre-history to its eventual decline and transmutation. Part 3 offers a valuable compendium of key statements on the Blessing issued by church bodies, Christian organizations, and groups from 1994 onwards.

Resurrection Lifestyle Harrison House 2005-05 Morris encourages the body of Christ to take up the supernatural available to every believer and walk in the same authority, miraculous power, and fellowship with the Father that Jesus did.

Courage Clifford Self 1991-10

Ungodly Fear Stephen Parsons 2000 In this disturbing and compelling new book, Stephen Parsons uses real-life stories to highlight the dangers that exist in the modern Church, and sounds the alarm for any church or individual who may be susceptible to perpetrating or falling victim to abusive practices or behavior. These harrowing stories include a vulnerable couple persuaded to part with their life savings for a church; a woman raped by her minister, who then had to face denial and rejection; a woman demonized for resisting a church's obsession with demons; a homosexual whose integrity as an individual was attacked; and a woman damaged by inappropriate "healing." Parsons ends his bold analysis by affirming the potential for abuse-free Christianity and healthy church life.

Personal Mastery Belinda G. Moss Ph.D. 2011-09-16 Unanswered prayers over time, an unprecedented level of anointing, and the greatest wealth transfer known to man are stored up like a cumulus cloud ready to burst over a generation that is aligned with the purpose, will, and plan of God. For years, God has been preparing this generation to fulfill a God-sized vision, one so huge that initially, they would balk at it. He is inviting believers to complete "personalized" assignments beyond their highest prayers, desires, hopes, or dreams. This cannot occur, however, until believers do the personal homework required to ensure they are not assailed by Satan on their way to fulfilling destiny. Personal Mastery is about making you whole on the inside so you can do great exploits on the outside. It will transform you into someone bigger than your fears and greater than your past. Learn how to proof the heart, emotions, and thinking powers, so that you may keep yourself calm during times of adversity. Learn how to navigate through life victoriously, utilizing the wisdom of God, and learn how to discover the purpose of God for your life—the true art of fulfillment. Let Pastor & Dr. Moss help you start this amazing journey with these revolutionizing principles: Invading Culture with the Kingdom of God Giving God what He Wants Why EQ Trumps IQ Self-Mastery Tips Taking Responsibility for Your Emotional State Discovering Your Uniqueness Becoming a Giant Slayer And Much More

Serving One Another Stephen P. Ansley 2022-08-01 God wants His people to know the gifts He has given them. Gifts appear in Scripture primarily in three passages, each with its own list, with other gifts mentioned individually here and there in other parts of Scripture. This three volumes study of New

Testament gifts deals with the three lists separately to honor the uniqueness of each list. You are invited to come along with the author in discovering what God has given to His people, including you.

Apostles Today Benji G. McNair Scott 2014-06-02 Are apostles amongst us today? According to a growing section of the church, the answer is yes. This book investigates and appraises that idea seeking answers to the following questions in the context of the church in the USA and particularly Britain: Is there a robust scriptural justification for the charismatic apostolate (CA) that most charismatic groups are proclaiming? How widespread is this belief and why has it become more commonplace? What kind of apostles are being advocated by influential popular teachers? What does church history and tradition have to offer to this idea? Is there a way to endorse and embrace ecumenically the CA? Does the CA have a future in the universal church? These are important questions to answer for the sake of the church's mission and health.

Notes from a Wayward Son Andrew G. Walker 2015-09-04 "Andrew Walker is one of the most remarkable scholars I have met across the years." William J. Abraham This "miscellany" puts readers around the table with a teacher who has provided the church with wisdom and passion and introduces a new voice to the ongoing conversation about the relationship between the gospel and culture. Andrew Walker's "ecclesial intelligence" and broad interdisciplinary approach to theology and sociology will undoubtedly capture the imagination of many who are curious about the church's mission in the modern West. Notes from a Wayward Son represents a broad sampling of Walker's writings from a distinguished forty-five-year career—from explorations of Pentecostalism and Charismatic Renewal to Eastern Orthodoxy, C. S. Lewis, and Deep Church; from the impact of modernity on the ecclesia to mission and ecumenism in the West today. In a world and a church often driven by the latest fashions, Walker's is a voice to which we will want to listen!

A Full-er Gospel?: Pentecostal Proclamation in New Zealand 1990-2008 Linda Flett 2015 This book draws on the belief statements and official publications of Elim and AOG denominations in New Zealand from 1990 to 2008 in order to test the extent to which this conviction was adhered to. A statement that 'In order to reach New Zealand, our methods need to change but not our message', provides a framing device, inviting the reader to explore their responsiveness to aspects of social change within New Zealand before gauging interest in new methodologies known to have impacted Pentecostal churches in New Zealand during this period. Actual changes to evangelistic methodology and salvation terminology is presented from the findings of a quantitative study before the salvation message is re-examined. It will be evident that not only were new methodologies embraced but views on salvation broadened, becoming increasingly holistic, dynamic and relational.
