*Estate and Retirement Planning Answer Book* William D. Mitchell 2008-08 Estate and Retirement Planning Answer Book (2009 Edition) provides expanded coverage of financial and estate planning strategies for implementing individualized solutions for the special problems associated with retaining accumulated wealth for retirement and estate planning purposes. With its comprehensive two-part approach to the complex issues that link retirement planning and estate planning, *Estate and Retirement Planning Answer Book* (2009 Edition), includes coverage of such topics as the final minimum distribution rules for individual retirement accounts and qualified plan distributions, the use of insurance as a qualified plan asset, and changes in the law to reflect the latest legislation.

*Answers from The Working Actor* Jackie Apodaca 2018-03-09 For nearly a decade, Jackie Apodaca and Michael Kostroff shared duties as advice columnists for the actors' trade paper, *Backstage*. Their highly popular weekly feature, "The Working Actor," fielded questions from actors all over the country. A cross between "Dear Abby" and *The Hollywood Reporter*, their column was a fact-based, humorous, compassionate take on the questions actors most wanted answered. Using some of their most interesting, entertaining, and informative columns as launch points, *Answers from "The Working Actor"* guides readers through the ins and outs (and ups and downs) of the acting industry. Apodaca and Kostroff share an approach that is decidedly "on the ground." They've both labored in the trenches just like their readers—dealing with auditions, classes, photos, résumés, rehearsals, contract negotiations, representatives, jobs, challenging colleagues, and the search for that elusive life/career balance. There are few absolutes in the acting profession and virtually no proven and reliable steps. Unlike books that claim to offer "Quick Steps to a Successful Acting Career," *Answers from "The Working Actor"* deals honestly with the realities, providing facts, options, strategies, stories, points of view, and

the wisdom of experience, while ultimately challenging readers to make their own decisions. This book will give new actors a head start on their journeys and remind experienced professionals that, in the acting business, there is never only one answer to any question.
