

Rhetorical Criticism Exploration And Practice

Communication Criticism

Karyn Charles Rybacki 1991

This book should be of interest to courses in rhetorical criticism and rhetorical theory.

Peacemaking Through

Communication Rod Troester 1991

Rhetorics in the New

Millennium James D. Hester

2010-06-10 Some of the most renowned modern practitioners of New Testament rhetorical criticism, including Elisabeth Schussler Fiorenza, Wilhelm Wuellner and the editors themselves provide new rhetorical readings of New Testament texts. Organized into three distinct sections, *Rhetorics in the New Millennium* provides a cutting-edge approach to this thorny issue in biblical studies. The first section is a collection of three essays that are primarily theoretical in nature and concerned with examining

general theories of rhetoric.

The second section is a series of specific studies each using a different accepted theoretical model to analyze a given text.

The final section presents valuable appendices which summarize information about the content of certain theoretical models of criticism. Finally, a bibliography listing a wide variety of rhetorical critical studies and reference works is included.

Rhetoric and Discourse in Supreme Court Oral

Arguments Ryan Malphurs

2013-01-04 While legal scholars, psychologists, and political scientists commonly voice their skepticism over the influence oral arguments have on the Court's voting pattern, this book offers a contrarian position focused on close scrutiny of the justices' communication within oral arguments. Malphurs examines the rhetoric, discourse, and

subsequent decision-making within the oral arguments for significant Supreme Court cases, visiting their potential power and danger and revealing the rich dynamic nature of the justices' interactions among themselves and the advocates. In addition to offering advancements in scholars' understanding of oral arguments, this study introduces Sensemaking as an alternative to rational decision-making in Supreme Court arguments, suggesting a new model of judicial decision-making to account for the communication within oral arguments that underscores a glaring irony surrounding the bulk of related research—the willingness of scholars to criticize oral arguments but their unwillingness to study this communication. With the growing accessibility of the Court's oral arguments and the inevitable introduction of television cameras in the courtroom, this book offers new theoretical and methodological perspectives at a time when scholars across

the fields of communication, law, psychology, and political science will direct even greater attention and scrutiny toward the Supreme Court.

Sourcebook on Rhetoric
Black Women and Popular Culture VaNatta S. Ford

2014-07-30 With the emergence of popular culture phenomena such as reality television, blogging, and social networking sites, it is important to examine the representation of Black women and the potential implications of those images, messages, and roles. *Black Women and Popular Culture: The Conversation Continues* provides such a comprehensive analysis. Using an array of theoretical frameworks and methodologies, this collection features cutting edge research from scholars interested in the relationship among media, society, perceptions, and Black women. The uniqueness of this book is that it serves as a compilation of "hot topics" including ABC's Scandal,

Downloaded from
atrium.finalsclub.org on
2026-01-29 by guest

Beyoncé's Visual Album, and Oprah's Instagram page. Other themes have roots in reality television, film, and hip hop, as well as issues of gender politics, domestic violence, and colorism. The discussion also extends to the presentation and inclusion of Black women in advertising, print, and digital media.

Rhetorical Criticism Sonja K. Foss 1989 Offers students an excellent example of the diversity & breadth of rhetorical criticism.

Sourcebook on Rhetoric James Jasinski 2001-07-19 This book is designed to introduce readers to the language of contemporary rhetorical studies. The book format is an alphabetized glossary (with appropriate cross listings) of key terms and concepts in contemporary rhetorical studies. An introductory chapter outlines the definitional ambiguities of the central concept of rhetoric itself. The primary emphasis is on the contemporary tradition of rhetorical studies as it has emerged in the discipline of

speech communication. Each entry in the glossary ranges in length from a few paragraphs to a short essay of a few pages. Where appropriate, examples are provided to further illustrate the term or concept. Each entry will be accompanied by a list of references and additional readings to direct the reader to other materials of possible interest.

Comics & Ideology Matthew P. McAllister 2001 "Superman's role in romanticizing commercialism; sexual violence in Japanese manga comics; Wonder Woman as Americanized immigrant; reader's reactions to the gay superhero Northstar; Dilbert as a workplace revolutionary; the Punisher's invasion of Vietnam--these are a few of the issues that Comics & Ideology addresses. Focusing on the intersection of social power and comic art, essays in this book explore how images and narratives in comic books and comic strips may portray social groups and social issues. As a scholarly examination of a form

known as 'the funnies' or 'funny books,' this book argues that the themes and characterizations in comic art are often quite serious. Essays take diverse theoretical perspectives such as cultural studies, political economy, feminist criticism, queer studies, and mythic analysis, all focusing on the relationship of comics to issues of social division."--Publisher description.

The Cold War as Rhetoric Lynn B. Hinds 1991-09-30 Rhetoric, Lynn Boyd Hinds and Theodore Windt argue, is central to shaping both political consciousness and political culture. In this important new contribution to Praeger's Series in Political Communication, they examine how the rhetoric of the early Cold War years was used to create and develop a national and international reality. The pervasive political view of events, motives, actions, and policy was largely created in the years between 1945 and 1950 and grew from a pre-existing set of rhetorical beliefs

as well as from the political speeches and pronouncements of the time. Hinds and Windt focus their study on American rhetoric applied to Soviet-American relations, centering essentially on Europe. They offer a brief outline of the theoretical principles used in their analysis, and follow with a look at certain images of the USSR selected for use by American politicians. In subsequent chapters, the authors trace developments from the end of World War II to Winston Churchill's Iron Curtain speech, thoroughly explore the British leader's address and its effect in dividing the world into two warring camps, analyze the writing and presentation of the 1947 Truman Doctrine and its suggestion of two ways of life, and detail the Truman Loyalty Program and the 1947 House Committee on Un-American Activities hearings in Hollywood. The remaining chapters discuss George Marshall's address originating the European Recovery Act, George Kennan's Sources of

Soviet Conduct, contemporary critics, and such proofs as the Korean War, which showed the rhetoric to be correct. This work will be an important reference tool for courses in political communication, American history, political science, and presidential studies, and a useful addition to library collections.

American Rhetorical Discourse 1995 Building on the success of the first edition, this revised anthology covers a broad range of discourses dealing with civic affairs. This collection better reflects the diversity of speakers throughout American history.

Power Persuasion Martha Cooper 1997

Rhetorical Criticism Sonja K. Foss 2025-07-28 This transformative text has taught the lively art of rhetorical criticism to thousands of readers—becoming a revered standard. With an unparalleled talent for distilling sophisticated rhetorical concepts and processes, Sonja Foss provides an engagingly written, practical guide

delineating ten methods of doing rhetorical criticism. Clear instructions describe the process for systematic investigation of symbolic acts and artifacts and the necessary ingredients for well-reasoned explanations and analysis. Accessible sample essays illustrate each method, and the same artifact is analyzed for nine of the methods to reveal the nuances and applicability of different approaches. A deep understanding of rhetorical criticism equips readers to be engaged and active participants in shaping the nature of the world in which they live. A chapter on feminist criticism features the disruption of conventional ideologies and practices. The chapter on narrative criticism highlights storytelling in the digital world. The emphasis on inquiry is invaluable for filtering meaning out of the communication encountered daily—for example, questions to ask, processes to employ for interpretation, assumptions to identify. Understanding rhetoric helps readers judge

the effectiveness, accuracy, and impact of symbols.

Rhetorical Criticism Sonja K. Foss 2017-07-18 Over multiple editions, this transformative text has taught the lively art of rhetorical criticism to thousands of students at more than 300 colleges and universities. Insights from classroom use enrich each new edition. With an unparalleled talent for distilling sophisticated rhetorical concepts and processes, Sonja Foss highlights ten methods of doing rhetorical criticism—the systematic investigation and explanation of symbolic acts and artifacts. Each chapter focuses on one method, its foundational theories, and the steps necessary to perform an analysis using that method. Foss provides instructions on how to write coherent, well-argued reports of analytical findings, which are then illustrated by sample essays. A chapter on feminist criticism features the disruption of conventional ideologies and practices. Storytelling in the digital world is a timely

addition to the chapter on narrative criticism. Student essays now include analyses of the same artifact using multiple methods. A deep understanding of rhetorical criticism equips readers to become engaged and active participants in shaping the nature of the worlds in which we live.

Buffy Meets the Academy

Kevin K. Durand 2014-01-10

This book presents serious academic scholarship on Buffy the Vampire Slayer. It differs from other works because it uses Buffy as a primary text and not as a secondary instrument to explore other concepts. In doing so, it demonstrates that popular culture studies should be approached with the same serious attention that is paid to classic philosophy and other long-established fields. Essays assemble the Buffy canon and explore how Buffy treats Shakespeare, comics, power, sisterhood, apocalyptic revisionism, folklore, feminism, redemption, patriarchy, identity and education.

Instructors considering this book for use in a course may request an examination copy here.

Rhetorical Criticism Sonja K. Foss 2009 "Sonja Foss, who has an enviable talent for synthesizing complex rhetorical concepts and processes into clear explanations, presents nine methods of rhetorical criticism. She carefully explains and illustrates the theory behind each method with abundant examples of applications. Interesting and lively essays, some written by students, encourage readers to develop their critical skills. Useful bibliographies list additional samples for each type of criticism." "Rhetorical criticism is not a process confined to a few assignments in a rhetorical or media criticism course. It is an everyday activity we can use to understand our responses to symbols of all kinds and to create our own symbols to generate the responses we desire."--BOOK JACKET.

The Art of Rhetorical Criticism
Jim A. Kuypers 2005 Covering

a broader range of rhetorical perspectives, "The Art of Rhetorical Criticism" presents a thorough, accessible introduction to rhetorical criticism. Throughout the text, sample essays written by experts in the field provide students with models for writing their own criticism. In addition to covering traditional modes of rhetorical criticism, "The Art of Rhetorical Criticism" presents less commonly-discussed rhetorical perspectives (for example, mythic criticism, framing analysis, and ideographical criticism), exposing students to a broad range of material. Features Each chapter and sample essay is written by a nationally-recognized scholar in that field, ensuring that students are offered the best and most current research for each perspective. Each author comments on his or her writing process to demonstrate the very personal nature of criticism. With this unique emphasis, students will begin to appreciate that writing criticism is an artistic process

and not a simple formula. The "Potentials and Pitfalls" feature in each chapter highlights the strengths and weaknesses, pros and cons, of the rhetorical perspective being discussed. Each chapter includes a short, accessible sample essay, written specifically with the student audience in mind, offering students a model of rhetorical criticism for their own assignments.

The Rhetoric of Western Thought James L. Golden
2003

The Jesus Newspaper
Michael Ray Smith 2002 Can journalism be Christian? In *The Jesus Newspaper*, Michael Ray Smith explores this idea in a case study where a clergyman took over a mainstream newspaper for one week and produced what he considered was the kind of news Jesus would print, if he were an editor. The newspaper was a sensation, but Smith reveals the danger in neglecting story telling in news.

Rhetorical Criticism Exploration And Practice

Welcome to atrium.finalsclub.org, your go-to destination for a vast collection of **Rhetorical Criticism Exploration And Practice** PDF eBooks. We are passionate about making the world of literature accessible to everyone, and our platform is designed to provide you with a seamless and enjoyable for Rhetorical Criticism Exploration And Practice eBook downloading experience.

At atrium.finalsclub.org, our mission is simple: to democratize knowledge and foster a love for reading Rhetorical Criticism Exploration And Practice. We believe that everyone should have access to Rhetorical Criticism Exploration And Practice eBooks, spanning various genres, topics, and interests. By offering

Rhetorical Criticism Exploration And Practice and a rich collection of PDF eBooks, we aim to empower readers to explore, learn, and immerse themselves in the world of literature.

In the vast expanse of digital literature, finding Rhetorical Criticism Exploration And Practice sanctuary that delivers on both content and user experience is akin to discovering a hidden gem. Enter atrium.finalsclub.org, Rhetorical Criticism Exploration And Practice PDF eBook download haven that beckons readers into a world of literary wonders. In this Rhetorical Criticism Exploration And Practice review, we will delve into the intricacies of the platform, exploring its features, content diversity, user interface, and the overall reading experience it promises.

At the heart of atrium.finalsclub.org lies a diverse collection that spans genres, catering to the

voracious appetite of every reader. From classic novels that have withstood the test of time to contemporary page-turners, the library pulsates with life. The Rhetorical Criticism Exploration And Practice of content is evident, offering a dynamic range of PDF eBooks that oscillate between profound narratives and quick literary escapes.

One of the defining features of Rhetorical Criticism Exploration And Practice is the orchestration of genres, creating a symphony of reading choices. As you navigate through the Rhetorical Criticism Exploration And Practice, you will encounter the perplexity of options — from the structured complexity of science fiction to the rhythmic simplicity of romance. This diversity ensures that every reader, irrespective of their literary taste, finds Rhetorical Criticism Exploration And Practice within the digital shelves.

In the realm of digital

literature, burstiness is not just about variety but also the joy of discovery. Rhetorical Criticism Exploration And Practice excels in this dance of discoveries. Regular updates ensure that the content landscape is ever-changing, introducing readers to new authors, genres, and perspectives. The unpredictable flow of literary treasures mirrors the burstiness that defines human expression.

An aesthetically pleasing and user-friendly interface serves as the canvas upon which Rhetorical Criticism Exploration And Practice paints its literary masterpiece. The website's design is a testament to the thoughtful curation of content, offering an experience that is both visually appealing and functionally intuitive. The bursts of color and images harmonize with the perplexity of literary choices, creating a seamless journey for every visitor.

The download process on Rhetorical Criticism

Exploration And Practice is a symphony of efficiency. The user is greeted with a straightforward pathway to their chosen eBook. The burstiness in the download speed ensures that the literary delight is almost instantaneous. This seamless process aligns with the human desire for swift and uncomplicated access to the treasures held within the digital library.

A key aspect that distinguishes atrium.finalsclub.org is its commitment to responsible eBook distribution. The platform adheres strictly to copyright laws, ensuring that every download Rhetorical Criticism Exploration And Practice is a legal and ethical endeavor. This commitment adds a layer of ethical perplexity, resonating with the conscientious reader who values the integrity of literary creation.

atrium.finalsclub.org doesn't just offer Rhetorical Criticism Exploration And Practice; it fosters a community of readers.

The platform provides space for users to connect, share their literary explorations, and recommend hidden gems. This interactivity adds a burst of social connection to the reading experience, elevating it beyond a solitary pursuit.

In the grand tapestry of digital literature, atrium.finalsclub.org stands as a vibrant thread that weaves perplexity and burstiness into the reading journey. From the nuanced dance of genres to the swift strokes of the download process, every aspect resonates with the dynamic nature of human expression. Its not just a Rhetorical Criticism Exploration And Practice eBook download website; its a digital oasis where literature thrives, and readers embark on a journey filled with delightful surprises.

Rhetorical Criticism Exploration And Practice

We take pride in curating an extensive library of Rhetorical

Criticism Exploration And Practice PDF eBooks, carefully selected to cater to a broad audience. Whether youre a fan of classic literature, contemporary fiction, or specialized non-fiction, youll find something that captivates your imagination.

User-Friendly Platform

Navigating our website is a breeze. Weve designed the user interface with you in mind, ensuring that you can effortlessly discover Rhetorical Criticism Exploration And Practice and download Rhetorical Criticism Exploration And Practice eBooks. Our search and categorization features are intuitive, making it easy for you to find Rhetorical Criticism Exploration And Practice.

Legal and Ethical Standards

atrium.finalsclub.org is committed to upholding legal and ethical standards in the world of digital literature. We prioritize the distribution of Rhetorical Criticism
