The Art of Worship Zacharias Tanee Fomum 2016-08-12 This book is a presentation of what worship is and what the true worshipper is. To worship is to prostrate before the Holy Presence of the Almighty, sometimes without saying a word. To worship is to lift the Lord to great heights. Drawing lessons from his personal experience as a worshipper, the author says that no one can worship the Lord God and the god self at the same time. Those with one or more idols in their hearts cannot worship the Lord. The true worshipper

worships God in Spirit and in truth. Worship is the activity of people sanctified, consecrated, and filled with the Holy Spirit. Only those who know and love the Lord can worship Him. After reading this book, we can dare to say that a life of obedience to the will of God and a life lived in His presence qualifies a person to worship God. Would you like to know what it means to "worship" and become a true worshiper? Then read this book.

The Art of Spiritual Warfare

Venatius Oforka 2018-06-21

Since the beginning of time, a fierce spiritual battle has raged between the forces of good and evil. Today the spiritual entities of wickedness are winning, burdening countless souls in a world lacerated by evil. To claim victory, God is calling us to engage in spiritual warfare as the only way to save the world from the desolation that is sure to come. In these pages, theologian Venatius Oforka explains that we are part of a spiritual web through which God acts to save souls. No longer does God create out of

nothing. Instead, He achieves His purposes through the prayers and actions we pour in. To win such a sophisticated war, Oforka introduces us to the supernatural weapons of war and how we can shape the events that affect our earthly and eternal destiny. From Father Oforka, you will learn: How the ministry of intercession can bring salvation to millions of hopeless souls How to frustrate the Devil's evil schemes How to free yourself from the encumbrances of the flesh so you can fully participate in spiritual warfare The two basic actions Christians must undertake to survive evil days The profound advantage you have over Satan and his works How and why God needs intercessors to save souls Why God requires us to act before He steps in The critical role of the angels and the saints in fighting evil The importance of suffering in spiritual warfare Why God needs our prayers to make His Kingdom come The Art of Spiritual Warfare is the one book you

The Art Of Intercession Spiritual Warfare

need to awaken our world from its spiritual hibernation and to exercise the awesome privilege of working with God in the realization of His Kingdom.

The Art of Spiritual War Bren Watts 2012-02-15 Over 2000 years ago, Sun Tzu wrote 'The Art of War', a book which is widely accepted as one of the greatest military war strategy books in history. As Christians, we still fight wars today - they are just a little different to the ones that Sun Tzu wrote about. Our wars are spiritual wars. *The Art of Spiritual Warfare* shows us how to fight these spiritual wars in our lives through the power of the Holy Spirit. Many of us are too easily defeated by the devil's schemes. But we don't need to be. Jesus died and left His Holy Spirit so that we might have victory over the devil. *The Art of Spiritual War* will help to equip you to be a powerful Christian, full of the Spirit so that when you are engaged in battle, you can fight with authority and claim victory in your life.

Open Heavens Augusto L.

Perez 2015-08-22 Have you ever wondered why there seems to be open heavens in one city with signs, wonders and miracles taking place, while in another the heavens appear to be made out of brass as if God is withholding His blessing? If we are going to discover the answer to this puzzling question, we must go back to the very foundation of the early Church in America that produced earth shaking revivals and giants of the faith such as Jonathan Edwards, John Wesley, Charles Finney, William Seymour and the early Pentecostal and Healing Movements. If we have any hope of impacting our cities, we must begin by changing the present day condition of the Church. In its present weakened condition the Church in America will not be able to change itself, let alone impact the cities. A paradigm shift needs to take place in the consciousness of the Church, to shake them out of their slumber and wake up to the reality that we are in the middle of a spiritual war zone.

The Art Of Intercession Spiritual Warfare

The present religious structure cannot contain the outpouring that is fixing to take place. Many high places are going to have to come down, and major shifts and changes take place in the Church if it wants to be a part of what God is about to do in the world. The Apostolic Reformation that is coming will impact and transform cities and nations as apostolic houses begin to release God's power and authority. This is not a pipe dream, but the only true foundation upon which God's Kingdom should be built. Everything else is but shifting sands that cannot withstand the storms that are about to come against the world. Any church that has been built upon any foundation other than the Apostles and Prophets, Jesus Christ Himself being the chief cornerstone, will not survive the great shaking that is about to take place. A reformation will take place on this earth that will shake the Church to its very foundation, and prepare the Bride for the return of our Lord Jesus Christ. This book is about a topic that

is very misunderstood and desperately needed in the body of Christ. It was written to help train believers in the lost art of Intercessory Prayer and Spiritual Warfare. This book takes you through the four levels of prayer, and teaches you with simple yet profound insight how to become a prayer warrior in the kingdom of God. If you have been feeling like the Lord is calling you to a higher level in your prayer life and desire to walk under open heavens, this book will help you get there. Come, oh mighty man and woman of God! Let the Lord of Hosts train your hands to war the only way we are able to fight this war and win: Intercessory Warfare. If you feel that God has called you to intercession, this book will teach you what you need to know about intercessory warfare, and help you to become one of the end-times warrior intercessors that will usher in the great double portion outpouring of His Spirit upon this earth.

the war against Satan and his agents rages on, he has developed new methods of resistance. The devil and his evil forces now blend into the natural features of the environment, the art, culture and into different aspects of society's life; making it more difficult for the church to spot him and root him out. Knowledge now becomes a decisive factor in spiritual warfare! The Bible shows clearly that the people of God are either in captivity or destroyed for lack of knowledge (please see Isaiah 5:13 and Hosea 4:6). This book teaches the modern and advanced spiritual warfare strategies of Spiritual Geography, Spiritual Mapping, Prophetic Prayers, Prophetic Action, etc. However the author recognizes that it is the believer that is largely delivered that can deliver people and places while applying these principles. This book therefore offers deliverance to the would-be deliverer; showing how to identify and deal with family

and environmental curses, etc. This book has been selected as a Bible School textbook and is blessing people in different nations in five continents of the world. You must read it and begin to wage war with knowledge!!!

The Practice of Intercession

Zacharias Taneé Fomum

2016-12-11 DON'T GET ON
YOUR KNEES WITHOUT IT!

This book is the sequel and companion to The Art of Intercession. The current volume, as its title suggests, focuses on the more practical aspects of intercession: the use of time, discipline, goals, fasting, resisting the devil, the use of the Bible and knowledge of facts. From the practical, Professor Fomum leads us through the levels of intercession - from the beginner to the advanced. He goes on to give practical lessons on high level spiritual warfare against principalities and powers - for those who are called. There are sections on intercessory prayer chains and a full-time ministry of intercession. All this from the

pen of one who has himself advanced through the school of calloused knees. If God is calling you to be an intercessor, this is the single best, most practical manual to get you started or advancing on your knees.

Victory in the Art of

Spiritual Warfare Franck Edgar G Kakou, II 2020-06-02
A prayer is a powerful tool. A prayer is the key in the hands of faith. It is the only thing that the devil cannot stop. All that we do in the house of GOD can be replaced but there is no substitute for a prayer. GOD does nothing but by prayer and everything because of it. Every great revival movement and every time you see GOD move in its power, it can be traced to a powerful intercession somewhere. To pray is to release the energy of GOD. A prayer is not a preparation for the battle, but it is the battle itself. In order to fight we must know our GOD. He has the first and the last word. The bible says: " Who can battle with the Lord." We must know ourselves, study our

weaknesses, our shortcomings and our own sins. This book you in your hands is a special tool and weapon. "VICTORY IN THE ART OF SPIRITUAL WEARFARE" explains how we fight, who we fight, how the enemy attacks and how we strike and defend ourselves. FRANCK EDGAR GEORGES KAKOU II is a Pastor, an international speaker, a minister and a husband with a great love for prayers. He has been in ministry for many years.

Gregory Scott Underwood 2025-11-27 *The Art of War (Spiritual)* is a battlefield manual for Christians who know the unseen world is not symbolic but strategic. Long before earthly empires rose and fell, a far older conflict raged in the invisible realms--and every believer is born into its wake. This book equips warriors of Christ to understand that conflict, stand firm within it, and advance with clarity, courage, and discernment. Drawing from Scripture, ancient Christian wisdom, and the author's own insights as a spiritual warrior, this manual reveals the laws, tactics, terrains, and hidden dynamics of the spiritual battlefield. Each chapter delivers maxims forged for combat--brief, potent truths followed by deep explanations that illuminate the nature of demons, the schemes of the adversary, the strength of faith, and the weapons granted

The Art of Strategic

Intercession Duan Hill
2019-06-18 Most people believe that Prayer and Intercession are the same thing, when nothing could be further from the truth. Prayer is simply how believers in God communicate with Him. Prayer is meant to be a two way conversation between God and His children; not a monologue where one lays out a laundry list of requests but a personal conversation where BOTH parties speak and listen. Intercession on the other hand is a form of Spiritual Warfare. True Intercession is triggered by a burden one receives from God to declare the Word of God for a particular person, place or thing. It is how believers in Christ use their spiritual

authority in Him to regulate and influence the spiritual climate making the atmosphere conducive for the Word of God to manifest; whether it be in a individuals life, a city, region or even a Nation. The Art of Strategic Intercession will equip the reader with the necessary knowledge, skills and spiritual tools needed to operate effectively and efficiently as they respond to the burden placed upon them to declare the Word of God for His people.

The Lost Art of Intercession

Jim W. Goll 1997 Finally there is something that really explains what is happening to so many folk in the Body of Christ. What does it mean to carry the burden of the Lord? Where is it in Scripture and in history? Why do I feel as though God is groaning within me? No, you are not crazy; God is restoring genuine intercessory prayer in the hearts of those who are open to respond to His burden and His passion.

The Art of Intercession

Zacharias Taneé Fomum 2015-02-19 You Can Be an Intercessor To intercede is to truly pray with power. How do you know God is not calling you to be an intercessor? As you read this book with its study of the great intercessors in the Bible - from Abraham and

Moses to Daniel and Nehemiah to Paul and Epaphras to Jesus himself - you will never be the same again. You will catch a new glimpse of the importance of intercession. You will see the great need for intercessors and understand if God is calling you to be one. Above all, with all the Biblical models presented, you will be challenged to join this godly company. "The challenge is disturbing as the reader realizes how short of the mark is even the most spiritual of Christians," writes Dr. Lester Sumrall in his Foreword. "Dr. Fomum practices what he teaches, as do some churches in Cameroon. Who of us prays for several hours each day? Who among us fasts and prays in spiritual warfare for From 21 to 40 days at a time, several times per year? This book is MUST reading for the serious Christian."
