Jul 20, 2025 · An "answer" is a reply, response, or solution that facilitates communication and understanding. Its versatility makes it indispensable in everyday language and professional discourse. ANSWER definition: 1. a reaction to a question, letter, phone call, etc.: 2. a solution to a problem: 3. to say.... Learn more. answer meaning, definition, what is answer: something you say when you reply to a qu...: Learn more. answer, response, reply, rejoinder, retort mean something spoken, written, or done in return. answer implies the satisfying of a question, demand, call, or need. Someone's answer to a question in a test or quiz is what they write or say in an attempt to give the facts that are asked for. The answer to a question is the fact that was asked for. Answer, respond,

and reply, the most general, all mean to speak, write, or act in response: Please answer my question. Did you expect the president to respond personally to your letter? An answer is a return remark: an answer giving the desired information. A rejoinder is a quick, usually clever answer or remark made in reply to another's comment, not to a question.
