*A New Look at Segovia, His Life, His Music, Volume 2* Graham Wade 2018-09-26 This second comprehensive and scholarly volume of over 500 pages on the life and work of Andres Segovia contains a biography of the years 1958-1987 and focuses on Segovia's rendition of Spanish/Romantic and Contemporary/Neo-Classical masterpieces by Tárrega, Albeniz, Granados, Llobet and Ponce. A special appendix in each volume presents the original scores for the Segovia editions discussed in the text, some of which have never been published, as well as modern editions of these pieces. Includes access to an online audio recording by Gerard Garno.

This book finds this familiar group of highly respected critics having compiled a very useful survey of classical music on compact discs and cassettes. The authors discuss the artistic merits and sound quality of each recording in evaluations that are extremely perceptive and educational. Audiophiles will be happy to know that the authors indicate whether or not the

recording has been recorded digitally or remastered from an analog original. Those on a budget will appreciate the inclusion of bargain-priced editions. And music lovers in general attempting to navigate the maze of CDs currently available will find this work indispensable.

**Jumpstart! Music** Kelly-Jo Foster-Peters 2020-03-04 Children develop their musicality best through engaging and participating, and an effective and enriching music curriculum must focus on the development of practical music-making skills. Jumpstart! Music therefore contains a wealth of ideas and activities that will support any teacher as they aid the musical learning of pupils aged 7 to 14, helping students not only to learn in new and exciting ways, but also to enjoy themselves while they are doing it. Inspiring any young learner to listen to, make and create a range of music, the book includes multiple simple-to-use ideas and activities, with every chapter based around fun and engaging

topics, such as: Storytelling History Media Modern music Technology The world With group suggestions as well as opportunities for the students to develop their skills independently, the games and ideas featured in this title all focus on the core skills in learning music - listening, singing, playing, improvising, composing and SMSC (spiritual, moral, social, cultural) - and are all flexible enough to be adapted to fit each individual situation, whatever the resources to hand. Jumpstart! Music is an essential classroom resource for helping young learners develop their musicality and musicianship and will support any teacher in delivering engaging, inclusive and creative music lessons.

The Art of Julian Bream Graham Wade 2008 "Julian Bream's influence is apparent in every area of the classical guitar repertoire, He transcribed Baroque works by Scarlatti, Buxtehude, Cimarosa, etc., and is acknowledged as one of the great interpreters of the music of J.

S. Bach. He revitalised awareness of the early nineteenth century works of Sor, Giuliani, and Aguado, while bringing to the public the music of Spain from the sixteenth century to the present day and breathing new fire into Latin American music by composers such as Villa-Lobos, Ponce and Brouwer.".

practice from the early twentieth century to the present day, encompassing the careers of many of the instrument's most influential practitioners from acoustic era to the advent of the CD. A key focus is on the ways in which guitarists' recorded repertoire programmes have shaped the identity of the instrument, particularly where national allegiances and musical aesthetics are concerned. The book also considers the ways in which changing approaches to recording practice have conditioned guitarists' conceptions of the instrument's ideal representation in recorded form and situates these in relation to the development of classical music recording aesthetics more generally. An important addition to the growing body of literature in the field of phonomusicology, the book will be of interest to guitarists and producers as well as students of record production and historians of classical music recording.
