The Development of Ethics: From Suarez to Rousseau Terence Irwin 2007

Journal of the Society of Christian Ethics 2008

Christian Morality Geoffrey W. Sutton 2016-08-08 Should society care about Christian morality? Are Christians out of touch with complex moral decision-making? *Christian Morality: An Interdisciplinary Framework for Thinking about Contemporary Moral Issues* provides readers with a framework for identifying and applying Christian moral principles to divisive issues. First, readers learn of the theological and philosophical foundations of Christian ethics. Two additional chapters explain how personal and social factors influence our capacity to think critically and Christianly about morality. Second, readers will learn about forming Christian moral judgments by seeing how different thinkers address six contemporary moral issues: abortion, same-sex relationships, equal treatment of men and women in the workplace, sex education, and racial bias in incarceration policies.

Leader's Guide for Primary Source Readings in Christian Morality Diana Turney 2008-02-04 *Primary Source Readings in Christian Morality* presents the living words of the Catholic Church and the wisdom of everyday people addressing the moral issues that impact our lives. One goal of *Primary Source Readings in Christian Morality* is to help students realize the connection between behavior and character. Additionally, the hope is that students will uncover that the road to authentic happiness and joy involves working on their relationship with God. Within this book you will find writings

from: Pope Benedict XVI, The Second Vatican Council, Richard Gula, SS, Pope Paul VI, Ronald Rohlheiser, Erich Maria Remarque, Pope John Paul II, The United States Conference of Catholic Bishops.

Teens and Morality Jerry Shepherd 2005 For many teenagers, it's not cool to show interest in organized religion. They often believe that religion is something that's not quite real--at least, not as real as everyday experiences like family, friends, foes, school, parties, love, hate, anger, desire, and frustration. The Being Real series shows how Catholicism recognizes the realities of teenage life and calls teens to a higher ideal. Teens and Morality is about how being a good, moral person is hard work, but it is absolutely possible. Chapters in Teens and Morality include: Why Be Good, Laws and Legalisms, Moral Actor, Moral Acts, Paths of Glory: Virtues, and Moral Heros

The Moral Bond of Community Bernard Vincent Brady 1998 Comprehensive in its approach yet written in plain language, The Moral Bond of Community offers a biblically-based concept of Christian justice that can be applied to moral questions in everyday life. Brady examines four forms of Christian moral discourse -- narrative, prophetic, ethical, and policy -- and shows how each contributes to a fuller understanding of Christian morality.
