

Complex Variables Springer

Her poetry is too complex [= complicated] for my taste. The rules are complexly written. She has a complex about her appearance. A whole composed of interconnected or interwoven parts. A complex of cities and suburbs; the military-industrial complex. complex, complicated, intricate, involved, knotty mean having confusingly interrelated parts. complex suggests the unavoidable result of a necessary combining and does not imply a fault or failure. Complex should be used to say that something consists of several parts rather than that it is difficult to understand, analyse, or deal with, which is what complicated inherently means. an intricate or complicated association or assemblage of related things, parts, units, etc.: the entire complex of our educational system; an apartment complex. COMPLEX definition: 1.
