If you've been thinking of playing D&D or you've played before and you want to get up to speed on the all-new 4th Edition, this is the book for you. Here's what you need to know to join the fantasy fun. strength of the gods flows through the cleric's arms and his or her divine powers. The cleric is a divine agent who acts on behalf of the supreme powers he serves and The Quintessential Cleric gives you new ideas to make your cleric really unique and different from his or her brothers in faith. In this book you will find new origins for your cleric, new powers, new feats, and new paragon paths; you will be able to equip new items created with the cleric in mind and to perform rituals never revealed before. This book also offers many hints on how to role-play your cleric outside of combat, churches and temples for your faith, rules for creating your own organization, and many useful tactics to optimize each choice your character has to make!

Unholy Warrior's Handbook Robert J. Schwalb 2003-04-01 Green Ronin's critically acclaimed Book of the Righteous introduced the holy warrior, a customizable core class that lets you build unique paladins for all the good gods of your campaign. But what of the gods of evil?

Surely they are not without their devoted champions, their anti-paladins? Enter the Unholy Warrior, a towering figure of depravity and unspeakable evil. He wields fire and sword in the name of dark masters, spreading blood and terror in equal measure. The perfect complement to The Book of the Righteous and The Book of Fiends, the Unholy Warrior's Handbook takes an unflinching look at evil's most dedicated servants.
