Developing Your Potential John Pedersen

2011-04 Great potential exists within each of us but will only be attained by those who

purposefully develop it. Imagine the potential within you that is waiting to be discovered; you alone hold the key. Join author John Pedersen for a challenging and motivational guide to changing your life. This book contains 8 proven principles that will set you on the path to becoming all you were meant to be.

Implementing these principles will open your eyes to who you could be, and unlock the full extent of your personal potential! The plan for success explained in this volume is outlined strategically and illustrated by honest personal anecdotes as well as insightful quotes, and is easy to read and apply. You are guaranteed to feel challenged and encouraged as you turn the pages. Be prepared to be inspired to realize the full capacity of the gifts and talents that are within you. JOHN PEDERSEN has been a missionary in Africa for over 30 years. He is the founder and director of School Mission for Christ International, an organization that weekly encourages and challenges over 80 000 students and teachers. He has also been a lecturer at Kaniki Bible College in Zambia for 23 years, before which he was pastoring a church in Denmark for 6 years. John Pedersen has been happily married to Elisabeth for 40 years and has 4 children and 6 beautiful grandchildren. The author holds a Master's degree in Christian Education. John Pedersen still demonstrates a passion to see positive and radical transformation of people to be all that they were created to be. Out of that passion this book is born.

Loose Leaf Psychology of Success Denis Waitley 2014-12-08

Empires of the Mind Denis Waitley 1995 A book that explains why standard management practices, job descriptions, and career tracks are obsolete.

Great Nationalist Of India: Dr. A. P. J. Abdul Kalam Manoj Kumar The book "Great

Nationalist of India: Dr. A. P. J. Abdul Kalam" focuses on the life, achievements, and inspiring journey of Dr. A. P. J. Abdul Kalam, India's "Missile Man" and former President. It highlights his contributions to India's space and defense programs, his dedication to science and education, and his vision for a developed and self-reliant nation. The book also explores his values of humility, integrity, and public service, emphasizing how his leadership, innovation, and motivational guidance continue to inspire millions of Indians to dream big and work for the progress of the country. - Focuses on the life and achievements of Dr. A. P. J. Abdul Kalam. - Highlights his contributions to India's space and defense programs. - Covers his role as the President of India and a national leader. - Explores his vision for a developed, self-reliant, and progressive India. - Emphasizes his values of humility, integrity, and public service. - Showcases his legacy as an inspirational figure for youth and the nation. - Highlights his efforts in education, science, and motivating Indians to dream big.

Your Mind Power Unleashed Thomas W. Foster 2000-05 Based on ideas drawn from both ancient and modern thinkers, this guide uses case studies to teach techniques for expanding the power of the mind. Specific methods for achieving both personal and professional goals are reinforced with a series of practical exercises for developing mental habits to fulfill one's individual potential. Self-discipline is encouraged through a series of mind-conditioning exercises that rely on both perseverance and faith.

Timeless Super Achievers Gerhard Gschwandtner 1998-12 Why is it that some

people seem destined to win, while others appear to work hard and yet never make it to the top? To discover the keys to lasting success, Selling Power magazine interviewed 20 Superachievers and collected their life lessons in this book. Now you can study their patterns of success and learn from their insights and experiences so that you can reach a higher level of success.--Publisher's description.
