Healing Love Abby Niles 2016-02-15 She's a mystery he can't resist... Doctor Ella Watts wants her old life back. Desperately. But the past has returned for its rematch, and going back home—even telling anyone her real name—isn't an option until she's confident in her MMA abilities. Personal trainer Lance Black is the man to help her reach her goals. Not only is he toned, muscular, and gorgeous, he's patient, a great teacher, and willing to treat her like a worthy opponent. Except his size makes her freeze whenever he gets too close. If Ella can't learn how to overcome her fear of being attacked, she'll never be able to move on with her life. Underground fighter Lance Black knows there's more to the mysterious blonde ninja than a beautiful woman determined to improve her fighting skills. She can best anyone close to her size - man or woman - but insists on working out with him, even though he's got a good 70 pounds and several inches on her. Despite her reticence, he's determined to get her to open up so he can help her get over her mental block. And if that means he can get to know her outside the gym, all the better. As long as she never learns his secrets.

**Fighting Love** Abby Niles 2013-12-31 Fighting Love by Abby Niles Talk about kicking a fighter while he's down. Former Middleweight champion and confirmed bachelor Tommy "Lightning" Sparks has lost it all: his belt, his career, and now his home. After the devastating fire, he moves in with his drama-free best friend, Julie. One encounter changes everything and Julie is no longer the girl he's spent his life protecting but a desirable woman he wants to take to his bed. Knowing his reputation, he's

determined to protect Julie more than ever—from himself. Veterinarian Julie Rogers has been in love with Tommy since she was ten, but would love to get over the man. She's quiet nights at home and a glass of wine. He's clubbing all night and shots of tequila. As friends they work great. As a couple? No way in hell. She just can't get her heart to agree. When she starts spending time with another fighter, the man who's always treated her like a sister is suddenly not being very brotherly and enflames her body like never before. Can two childhood friends make a relationship work, or will they lose everything because they stopped FIGHTING LOVE

**Extreme Love** Abby Niles 2013-04-30 New body. New clothes. New men. Used to the average Joe, Caitlyn Moore is overwhelmed when the supremely masculine Dante Jones walks into her life and expresses an interest in her. At first she pushes him away, refusing to encourage the attention of a cage fighter. Then she learns Dante has a love 'em and leave 'em reputation. What better way to fine-tune her non-existent flirting skills than with a male who won't stick around? But Dante has no intention of being a practice dummy; he's out for all or nothing. Now Caitlyn must accept Dante—violent career and all—or let him go. Dante "Inferno" Jones has one goal: win the Welterweight Championship. At a time when focus is crucial, the last thing he needs is a distraction. Yet Caitlyn Moore becomes a challenge he can't resist. When the light-hearted pursuit shifts to a battle to win her heart, his focus is shot. Faced with losing the biggest match of his career, Dante must decide if his extreme life also has room for Extreme Love.
