

From Brokenness To Community Harold M Wit Lectures

Prophetic Witness in World Christianities

Annemie Dillen 2011 Prophets have a reputation of changing, for the better, the relationship between people and God. Christianity has a long history of prophets who have directed the faithful towards more justice and righteousness. What can Christians learn from prophets for daily life, for contemporary theology, and for pastoral care? This book looks at prophetic action from a biblical, pastoral, and ethical perspective. The contributions - from both pastoral theologians and pastors from around the globe - make this study a unique exercise in maintaining the prophetic perspective in theological reflection and pastoral practice. (Series: International Practical Theology - Vol. 13)

Incognito Andrea Raynor 2014-03-04 "Filled with humor, insight, and faith, this true story tells how one young woman overcame challenges, stereotypes, and personal struggles at Harvard Divinity School and emerged an ordained minister. As a bright, young girl from Ohio, Andrea Raynor was fascinated by religion. Then she landed--almost by accident--at Harvard Divinity School, which, she quickly discovered, was no typical seminary. When she attended in the 1980s, HDS was a place overflowing with creative expression and freedom of thought. *Incognito* is a humorous and poignant glimpse inside one of the nation's most revered institutions."--
