100 Ideas for Primary Teachers: Outdoor Learning Adam Bushnell 2020-04-02 No matter what you teach, there is a 100 Ideas title for you! The 100 Ideas series offers teachers practical, easy-to-implement strategies and activities for the classroom. Each author is an expert in their field and is passionate about sharing best practice with their peers. Each title includes at least ten additional extra-creative Bonus Ideas that won't fail to inspire and engage all learners. *100 Ideas for Primary Teachers: Outdoor Learning* is packed with inspiring ideas to generate enthusiasm and engage pupils in learning through positive outdoor experiences. These can then be used as a stimulus for further learning back in the primary classroom. Suitable for any outdoor environment, Adam Bushnell and Sc.out.ed present tried-and-tested ideas that are not only learner-led but also promote hands-on, real-life learning. Covering a range of

National Curriculum areas including literacy, design and technology, maths, science, history, art and geography, the activities involve learning through experimentation and problem solving. All ideas can be used as standalone lessons as well as to complement topic-based work. The activities ensure that pupils can experience a variety of practical learning lessons, helping them to build relationships with peers, reduce behaviour problems and encourage independence.

Stimulating Non-Fiction Writing! Emma Hughes-Evans 2019-01-25 *Stimulating Non-Fiction Writing! Inspiring Children Aged 7-11* offers innovative and exciting ways to engage children in non-fiction writing, giving professionals the confidence and practical advice that they need to support children in producing quality non-fiction texts in the classroom. Packed full of interesting ideas, resource suggestions and practical activities, the book explores the various ways professionals can purposefully encourage 'child authors' to develop their non-fiction writing skills. Tried-and-tested resources, 'Gold star!' tips and practical suggestions are underpinned by research-informed teaching strategies and academic information to strengthen professional practice associated with the teaching of non-fiction writing. By taking a stimulating approach to each text type and linking activities to known texts and stimuli, the book offers differentiated advice for working with children in Lower and Upper Key stage 2. Chapters consider text types that include: Instructions Persuasive texts Non-chronological

reports Correspondence texts Discussion texts This new text is the perfect guide for inspiring children aged 7-11 in the classroom and will energise and enrich classroom provision and practice by being an essential resource for teachers and students on teacher training courses.

Writing in the Elementary Classroom Janet Evans 2001 *Writing in the Elementary Classroom* considers writing development from many different angles, creating a rich collage that focuses on how to help students develop into competent writers.
