Mirrors in a room often give an illusion of space. A mirage is an optical illusion. I thought I saw a ghost but it was just an optical illusion. ... When driving in a car on a hot summer day, you may see what looks like shimmering water on the road, which, as science tells us, is really just a mirage, an illusion caused by the heating of the air. A large mirror in a room can create the illusion of space. The impression of calm in the office is just an illusion. delusion, illusion, hallucination, mirage mean something that is believed to be true or real but that is actually false or unreal. delusion implies an inability to distinguish between what is real and what only ... An illusion is a distortion of the senses, which can reveal how the mind normally organizes

and interprets sensory stimulation. Although illusions distort the human perception of reality, they are generally ... illusion, a misrepresentation of a "real" sensory stimulus —that is, an interpretation that contradicts objective "reality" as defined by general agreement. For example, a child who perceives tree ...

1. Mirrors in a room often give an illusion of space.
2. The idea of absolute personal freedom is an illusion.
3. An illusion of space
4. An illusion is a false mental image produced by misinterpretation of things that actually exist: A mirage is an illusion produced

by reflection of light against the sky.
