**The Science Behind the Law of Attraction** Srinivasan Pillay M. D. 2011-01 "The Law of Attraction states that you get in life what you put out. It promises fame, fortune, happiness, health and much more if we put out the right energies, yet both believers and non-believers alike have reaped only limited benefits, if any, from this law. Why is this? And what can you do about it?"--Cover, p. [4].

*The Law of Attraction* Esther 2009-11 The Law of Attraction This book presents the powerful basics of the original Teachings of Abraham. Within these pages, you'll see how all things, wanted and unwanted, are brought to you by this most powerful Law of the Universe: the Law of Attraction (that which is like unto itself, is drawn). You've most likely heard the sayings "like attracts like," "Birds of a feather flock together," or "It is done unto you as you believe" (a belief is only a thought you keep thinking); and although the Law of Attraction has been alluded to by some of the greatest teachers in history, it has never before been explained in as clear and practical terms as in this latest book by best-selling authors Esther and Jerry Hicks. Here, you'll learn about the omnipresent Laws that govern this Universe and how to make them work to your advantage. The knowledge that you'll absorb from reading this book will take all the guesswork out of daily living. You'll finally understand just about everything that's happening in your own life, as well as the lives of those you're interacting with. This book will help you joyously be. do. or have anything that you desire! Esther and Jerry Hicks, the authors of *Ask and It Is Given* and *The Amazing Power of Deliberate Intent*, produce the leading-edge Abraham-Hicks teachings on the art of allowing our natural Weil-Being to come forth.

[The Abundance Paradigm](#) Joe Vitale 2022-01-25 A paradigm is more than a feeling or a belief. It is an entire way of being a fundamental universal conviction that reverberates out into the universe In *The Abundance Paradigm*, Joe Vitale, one of the pioneers of Internet marketing and one of the stars of the hit movie *The Secret*, shows you how to make the profound shift from a paradigm of scarcity in which you have "not enough" of the things you want and need to a paradigm of abundance in which you have more than enough of everything, at all times. When you

make this shift, you move beyond the Law of Attraction to the little-known Law of Creation and step into a world where you will: Align with the universe automatically instead of working to make it happen Manifest your desires spontaneously instead of thinking about it Get what you want immediately instead of waiting for it to show up Vitale offers Step by step techniques that will facilitate a complete paradigm shift to enable ideas to flow into your mind freely and openly Dissolve the limitation compromising your growth Erase toxicity from your relationships Clear your consciousness of negative judgement of yourself and others Protect your paradigm from harmful outside influences and interference

**LAW OF ATTRACTION - UNTOLD** Robert Rasch 2019-10-14

DISCOVER HOW The incredible knowledge of the mechanism of your own mind can show you how to manifest Anything & Everything you want from LIFE with the UNTOLD SECRET of the law Of Attraction! Based on the studies and contributions of quantum physicists such as: David Bohm, David Peat, Albert Einstein (among many others) and psychiatrists such as: Carl Jung, Sigmund Freud, Arnold Mindell, Erich Fromm (among many others), this book becomes a deep and revealing work, in addition to showing you in a practical way how to make a symbol that behaves as a message to the unconscious, so that the law of attraction begins to work for you, with the revelation of the PSYCHIC CENSOR that is the UNTOLD SECRET in the Law Of Attraction, you will be prepared to turn the impossible in something possible. In this book, the author Robert Rasch will take you to a fascinating world of unorthodox ideas of quantum theory, neuropsychology and the philosophy of mind. It is as if this internal restructuring produces external resonances or as if a burst of “mental energy” is propagated outward into the physical world. Some manifestations begin within the outer world and then move inward as their meaning is revealed. Such manifestations depend on detecting a deeper meaning to the patterns and clusterings of the phenomena around us.” It is the nature of manifestation to have meaning and, in particular, to be associated with a profound activation of energy deep within the psyche. It is as if the

formation of patterns within the unconscious mind is accompanied by physical patterns in the outer world. In particular, as psychic patterns are on the point of reaching consciousness then manifestations reach their peak; moreover, they generally disappear as the individual becomes consciously aware of new alignment of forces within his or her personality.

**God's Law of Attraction: The Believer's Guide to Success and Fulfillment**

Susan Lee 2013-09-03 In her first book, Susan Lee bridges the Law of Attraction with God's plan. Secular teachings of the law of attraction focus only on efforts from within and universe manifestation as the paths to financial freedom and a fulfilled life. God's Law of Attraction demonstrates that Christians too can have life purpose, goals, accomplishment; and yes, financial abundance—without guilt or materialism taking over. In God's Law of Attraction, Susan uses numerous Bible story themes to demonstrate God's genuine interest in providing a rich and fulfilling life for his children. Then, she applies how God's Law of Attraction works in our lives daily—whether we recognize its divine origins or not. Susan's interpretations of the stories result in a series of God-given steps that you can use every day to live your walk with God and enjoy life and its many gifts. Specifically, you will discover how to: Live in true abundance without guilt because God wants you to succeed! Find joy in your relationships again by releasing negative vibrations that have hurt in the past Use the Natural Law God Himself put in place to help us set goals and achieve them Trust in God on a new and exciting level Apply five steps: ask, believe, act, allow and receive to achieve God's best! "Finally a book that recognizes the law of attraction as God's and provides real world guidance, as well as tools, to assist Christians in asking for and recognizing God's blessings." — Carol Bills "Made me look at the law of attraction differently. I especially appreciated the tips and strategies for how to carry out the 5 steps (Ask, Believe, Act, Allow, Receive) effectively." — Anonymous
