Lynn Flewelling

LUCK definition: the force that seems to operate for good or ill in a person's life, as in shaping circumstances, events, or opportunities. See examples of luck used in a sentence. When luck is on your side or luck is with you, your luck is good. When luck is against you, your luck is bad. Luck definition: The chance happening of fortunate or adverse events; fortune. Luck is success that comes to you by accident rather than by your own efforts. Luck or good luck is success or good things that happen to you, that do not come from your own abilities or efforts. noun [Prov. Eng.] a small sum given back for luck to one who pays money. noun to receive some good, or to meet with some success, in an unexpected manner, or as the result of circumstances beyond ... The meaning of LUCK is a force that brings good fortune

or adversity. How to use luck in a sentence. Luck is positive (good luck) if the player's position is improved and negative (bad luck) if it is worsened. A poker player who is doing well (playing successfully, winning) is said to be "running good". Oct 24, 2023 · An instance of luck, esp. of a specified kind; an event or incident apparently brought about by chance. Now somewhat rare.
