Nicholas Sparks 2015-01-20 In this #1 New York Times bestselling novel of first love and second chances, former high school sweethearts confront the painful truths of their past to build a promising future—together. "Everyone wanted to believe that endless love was possible. She'd believed in it once, too, back when she was eighteen." In the spring of 1984, high school students Amanda Collier and Dawson Cole fell deeply, irrevocably in love. Though they were from opposite sides of the tracks, their love for one another seemed to defy the realities of life in their small town in North Carolina. But as the summer of their senior year came to a close, unforeseen events would tear the young couple

apart, setting them on radically divergent paths. Now, twenty-five years later, Amanda and Dawson are summoned back home for the funeral of Tuck Hostetler, the mentor who once gave shelter to their high school romance. Neither has lived the life they imagined . . . and neither can forget the passionate first love that forever changed their lives. As Amanda and Dawson carry out the instructions Tuck left behind for them, they realize that everything they thought they knew—about Tuck, about themselves, and about the dreams they held dear—was not as it seemed. Forced to confront painful memories, the former lovers will discover undeniable truths about the choices they have made. And in the course of a single, searing weekend, they will ask of the living, and the dead: Can love truly rewrite the past?

Get Real Jamy Whitaker 2012-08 As a wife and mother of five, I know all too well how destructive building a façade that everything is fine can be. Tearing down this wall and letting people see the real me-the pain, the struggles, the tears, and the triumphs has been difficult but rewarding. *Get REAL: Stop Hiding Behind the Mask* examines how to do just that. It delves into discovering a person's true identity, centered on God's view of each of us, letting go of the insecurities that so easily entangle our lives and finally, living with eternal perspective-keeping our focus heavenward instead of inward.

The Best of Me Nicholas Sparks 2011-10-11 Two former high-school sweethearts return to their hometown for the funeral of a mentor and confront the choices they've made since they last met in this new novel from the author of *The Notebook* and *Nights in Rodanthe*. (general fiction). Simultaneous. (This book was previously listed in Forecast.)

See Me Nicholas Sparks 2015 Colin Hancock is

giving his second chance his best shot. With a history of violence and bad decisions behind him and the threat of prison dogging his every step, he's determined to walk a straight line. To Colin, that means applying himself single-mindedly toward his teaching degree and avoiding everything that proved destructive in his earlier life. Reminding himself daily of his hard-earned lessons, the last thing he is looking for is a serious relationship. Maria Sanchez, the hardworking daughter of Mexican immigrants, is the picture of conventional success. With a degree from Duke Law School and a job at a prestigious firm in Wilmington, she is a dark-haired beauty with a seemingly flawless professional track record. And yet Maria has a traumatic history of her own, one that compelled her to return to her hometown and left her questioning so much of what she once believed. A chance encounter on a rain-swept road will alter the course of both Colin and Maria's lives, challenging deeply held assumptions about each

other and ultimately, themselves. As love unexpectedly takes hold between them, they dare to envision what a future together could possibly look like ... until menacing reminders of events in Maria's past begin to surface. As a series of threatening incidents wreaks chaos in Maria's life, Maria and Colin will be tested in increasingly terrifying ways. Will demons from their past destroy the tenuous relationship they've begun to build, or will their love protect them, even in the darkest hour?

[The Last Song](#) Nicholas Sparks 2009-09-08 From the author of *A Walk to Remember* comes a moving tale of redemption and first love when a rebellious teenager decides to spend the summer with her estranged father in a North

Carolina beach town. Seventeen year old Veronica "Ronnie" Miller's life was turned upside-down when her parents divorced and her father moved from New York City to Wilmington, North Carolina. Three years later, she remains angry and alienated from her parents, especially her father...until her mother decides it would be in everyone's best interest if she spent the summer in Wilmington with him. Ronnie's father, a former concert pianist and teacher, is living a quiet life in the beach town, immersed in creating a work of art that will become the centerpiece of a local church. The tale that unfolds is an unforgettable story of love on many levels--first love, love between parents and children -- that demonstrates, as only a Nicholas Sparks novel can, the many ways that love can break our hearts . . . and heal them.
