Rising Heat Perumal Murugan 2020-07-06

Young Selvan's life is no longer the same. His family's ancestral land has been sold in order to make way for the construction of a housing colony. Now the verdant landscape of his childhood has been denuded, while Selvan and his family are compelled to move to much smaller lodgings. In the ensuing years, as the pressures of their situation simmer to a boil, Selvan observes his family undergo dramatic shifts in their fortunes as greed and jealousy threaten to overshadow their lives. Murugan's first novel, which launched a splendid literary career, is a tour de force. Now translated for the first time, it poses powerful questions about the human cost of relentless urbanization in the name of progress.

Causes and Symptoms of Socio-Cultural Polarization

Israr Qureshi 2022-03-22 This book explores cultural polarization resultant decline in social cohesion in society and how information and communication technologies exacerbate the cultural polarization through phenomenon such as "echo chambers" of information that damage the quality of online discourse. This book examines the nature of the information that is shared. Further this book identifies how the quality of online discourse and polarization induced through it leads to offline harm and negative outcomes in our society. This book discusses how wide-ranging information exchange on digital media can lead to two scenarios, namely, the formation of the public sphere or the formation of echo chambers. While the public sphere, which promotes greater diversity, is a well-researched domain, substantially less research has been conducted on echo chambers in relation to sociocultural activities, products or services. This book states that polarization induced by the formation and evolution of echo chambers in sociocultural realm such as around epidemic outbreaks, vaccination, healthcare, education, and climate change is an emerging avenue of research due to its enormous impact in the shaping of our society. Therefore, this book argues that

understanding the characteristics of sociocultural products related controversies is critical and valuable in developing interventions to reduce unhealthy societal and organizational polarisations. The development of systematic knowledge is required to understand and address such a large scale and complex societal challenge so as to facilitate a deeper understanding and offer solutions to the growing issue of polarization in sociocultural context driven primarily through echo chambers. This book examines how technology enabled social media usage increases, and the complex structural outcomes such as echo chambers are likely to have an increasingly important role in shaping public opinion. This book appeals to readers with interest in developing a deeper and broader understanding of issues and initiatives related to the polarization of opinions on cultural products. These include readers and scholars from various disciplines, along with engaged organizational leaders, activists, policy makers, and common citizens.

The Story of a Goat Perumal Murugan

2019-12-10 "Fantastical . . . Through the thoughts of a rare black goat and the couple who adopt it, readers witness famines, death, and moments of beauty." — National Geographic Longlisted for the National Book Award for Translated Literature As he did in the award-winning *One Part Woman*, Perumal Murugan explores a side of India that is rarely considered in the West: the rural lives of the country's farming community. He paints a bucolic yet sometimes menacing portrait, showing movingly how danger and deception can threaten the lives of the weakest through the story of a helpless young animal lost in a world it naively misunderstands. As the novel opens, a mysterious stranger offers a farmer in Tamil Nadu a black goat kid who is the runt of the litter, surely too frail to survive. The farmer and his wife take care of the young she-goat, whom they name Poonachi, and soon the little goat is bounding with joy and growing at a rate they think miraculous for such a small animal. Intoxicating passages from the goat's

perspective offer a bawdy and earthy view of what it means to be an animal and a refreshing portrayal of the natural world. But Poonachi's life is not destined to be a rural idyll—dangers can lurk around every corner, and may sometimes come from surprising places, including a government that is supposed to protect the weak and needy. Is this little goat too humble a creature to survive such a hostile world? "The title character of Murugan's elegant new novel is indeed a joy . . . through Poonachi's tale we are reminded how much bonds us with the animal world." — USA Today

The Land and the Shadows Perumal Murugan 2025-12-22 Cinema, for Perumal Murugan, was never just flickering images on a screen. It was a field of experience, a gathering ground, a mirror held up to the land itself. In *The Land and the Shadows*, he returns to the theatres of his youth and to the decades when Tamil cinema became inseparable from the life of the people—the 1950s through the 1970s. Here, he recalls his boyhood labour in a small-town cinema hall, the thrill of posters and projectors, the songs carried on village winds. From those vivid fragments, Murugan opens out a portrait of Tamil society in transition, where poverty and caste met desire and aspiration in the common darkness of the theatre. The screen was both escape and education, its heroes and heroines shaping speech, gesture and imagination across class and community. Part memoir, part ethnography, this is a record of a world that has almost vanished—those public spaces where lives once overlapped, where cinema forged unlikely intimacies and collective dreams. Murugan's voice, at once personal and self-effacing, turns memory into history, and history into story. Translated with fidelity and grace by Gita Subramanian, *The Land and the Shadows* brings us Perumal Murugan in a new key: as witness to cinema's place in the making of modern Tamil Nadu, and as chronicler of a society learning to see itself in the play of light and shadow.

One Part Woman (PB) Perumal Murugan 2014-12-01 Kali and Ponna's efforts to conceive a child have been in vain. Hounded by the taunts and insinuations of others, all their hopes come to converge on the chariot festival in the temple of Ardhanareeswara, the half-female god.

Everything hinges on the one night when rules are relaxed and consensual union between any man and woman is sanctioned. This night could end the couple's suffering and humiliation. But it will also put their marriage to the ultimate test.

Fire Bird Perumal Murugan 2023-07-31 *Fire Bird* is a masterfully crafted tale of one man's search for the elusive concept of permanence. Muthu has his world turned upside down when his father divides the family land, leaving him with practically nothing and causing irreparable damage to his family's bonds. Through the unscrupulous actions of his once-revered eldest brother, Muthu is forced to leave his once-perfect world behind and seek out a new life for himself, his wife and his children. In this transcendental novel, Perumal Murugan draws from his own life experiences of displacement and movement, and explores the fragility of our fundamental attraction to permanence and our ultimately futile efforts to attain it. Translated from the nearly untranslatable *Aalandapatchi*, which alludes to a mystical bird in Tamil, the titular fire bird perfectly encapsulates the illusory and migratory nature of this pursuit. *Fire Bird* is a thoughtprovoking and beautifully written exploration of the human desire for stability in

an everchanging world.

Pyre Perumal Murugan 2022-02-15 By the author of *One Part Woman*: "A haunting story of forbidden love set in Southern India that illustrates the cruel consequences of societal intolerance." — Kirkus Reviews, starred review Saroja and Kumaresan are young and in love. After meeting in a small southern Indian town where Kumaresan works at a soda bottling shop, they quickly marry before returning to Kumaresan's family village, where they hope to build a happy life together. But they are harboring a terrible secret: Saroja is from a different caste than Kumaresan, and if the villagers find out, they will both be in grave danger. Faced with venom from her mother-in-law and questions from her new neighbors, Saroja tries to adjust to a new lonely and uncomfortable life, while Kumaresan struggles to scrape together enough money for them to start over somewhere new. But in a world filled with thorns, their love may not be enough to keep them safe.

One Part Woman Perumal Murugan 2018-10-09 Selling over 100,000 copies in India, where it was published first in the original Tamil and then in a celebrated translation by Penguin India, Perumal Murugan's *One Part Woman* has become a cult phenomenon in the subcontinent, captivating Indian readers and jump-starting conversations about caste and female empowerment. Set in South India during the British colonial period but with powerful resonance to the present day, *One Part Woman* tells the story of a couple, Kali and Ponna, who are unable to conceive, much to the concern of their families--and the crowing amusement of Kali's male friends. Kali and Ponna try anything to have a child, including making offerings at different temples, atoning for past misdeeds of dead family members, and even circumambulating a mountain supposed to cure barren women, but all to no avail. A more radical plan is required, and the annual chariot festival, a celebration of the god Maadhorubaagan, who is one part woman, one part man, may provide the answer. On the eighteenth night of the festival, the festivities culminate in a carnival, and on that night the rules of marriage are suspended, and consensual sex between any man and woman is permitted. The festival may

be the solution to Kali and Ponna's problem, but it soon threatens to drive the couple apart as much as to bring them together. Wryly amusing, fable-like, and deeply poignant, *One Part Woman* is a powerful exploration of a loving marriage strained by the expectations of others, and an attack on the rigid rules of caste and tradition that continue to constrict opportunity and happiness today.

One Part Woman Perumal Murugan 2014-12 All of Kali and Ponna's efforts to conceive a child - from prayers to penance, potions to pilgrimages - have been in vain. Despite being in a loving and sexually satisfying relationship, they are relentlessly hounded by the taunts and insinuations of the people around them. Ultimately, all their hopes and apprehensions come to converge on the chariot festival in the temple of the half-female god Ardhanareeswara and the revelry surrounding it. Everything hinges on the one night when rules are relaxed and consensual union between any man and woman is sanctioned. This night could end the couple's suffering and humiliation. But it will also put their marriage to the ultimate test. Acutely observed, *One Part Woman* lays bare with unsparing clarity a relationship caught between the dictates of social convention and the tug of personal anxieties, vividly conjuring an intimate and unsettling portrait of marriage, love and sex.

Narratives of Trauma in South Asian

Literature Goutam Karmakar 2022-12-30 This volume addresses cultural and literary narratives of trauma in South Asian literature. Presenting a novel cross-cultural perspective on trauma theory, the essays within this volume study the divergent cultural responses to trauma and violence in various parts of South Asia, including Sri Lanka, Bangladesh, Nepal, and Afghanistan, which have received little attention in literary writings on trauma in their specific circumstances. Through comprehensive sociocultural understanding of the region, this book creates an approachable space where trauma engages with themes like racial identity, ethnicity, nationality, religious dogma, and cultural environment. With case studies from Kashmir, the 1971 liberation war of Bangladesh, and armed conflict in Nepal and Afghanistan, the volume will be of interest to scholars, students and researchers of literature, history, politics, conflict studies, and South Asian studies.

At the end of Perumal Murugan's trailblazing novel One Part Woman, readers are left on a cliffhanger as Kali and Ponna's intense love for each other is torn to shreds. What is going to happen next to this beloved couple? In A Lonely Harvest-one of two inventive sequels that pick up the story right where One Part Woman ends-Ponna returns from the temple festival to find that Kali has killed himself in despair.

Devastated that he would punish her so cruelly, but constantly haunted by memories of the happiness she once shared with Kali, Ponna must now learn to face the world alone. With poignancy and compassion, Murugan weaves a powerful tale of female solidarity and second chances.

The Politics of Modern Indian Language Literature MK Raghavendra 2024-04-16 Indian literature is produced in a wealth of languages but there is an asymmetry in the exposure the writing gets, which owes partly to the politics of translation into English. This book represents the first comprehensive political scrutiny of the concerns and attitudes of Indian language literature after 1947 to cover such a wide range, including voices from the cultural margins of the nation like Kashmiri and Manipuri, that of women alongside those of minority and marginalised communities. In examining the politics of the writing especially in relation to concerns like nationhood, caste, tradition and modernity, postcoloniality, gender issues and religious conflict, the book goes beyond the declared ideology of each writer to get at covert significations pointing to widely shared but often unacknowledged biases. The book is deeply analytical but lucid and jargon-free and, to those unfamiliar with the writers, it introduces a new keenness into Indian literary criticism to make its objects exciting.

Current Show Perumal Murugan 2017-04-17 'Skims the murky world of dispossessed youth while sporting a spare, swift style'—The Hindu Sathi is a young soda-seller in a run-down cinema hall in a small town. Ill-paid and always weary, he finds relief from everyday tedium in marijuana and his friends—vulnerable, desperate young men who work around the

movie hall. An intense and tender friendship with one of the men sustains Sathi, until a train of events casts the meagre certainties of his days and nights into disarray. Slick, visceral and startlingly inventive, *Current Show* unfolds in a manner that simulates rapid cinematic cuts. Murugan's keen eye and crackling prose plumb the dark underbelly of small-town life, bringing Sathi's world and entanglements thrillingly to life.

Resolve Perumal Murugan 2021-11-15 The vision he saw in his dream, a world in ruins and bereft of women-was that going to come true soon? If he could get married, he would live the way people lived in the old days. He wanted to have at least ten children, and he wanted them all to be girls. The world should never again witness the sorrow of a man like him. It might be a truth universally acknowledged that a single man in possession of a good fortune, or at least a piece of land, must be in want of a wife, but Marimuthu's path to marriage is strewn with obstacles big and small. Inward-looking, painfully awkward, desperately lonely and deeply earnest, Marimuthu is fuelled by constant rejection into an unforgettable and transformative matrimonial quest. Enter a series of marriage brokers, horoscopes, infatuations, refusals and 'bride-seeing' expeditions gone awry, which lead Marimuthu to a constant re-evaluation of his marital prospects. But this is no comedy of manners, and before long we find ourselves reckoning with questions of agricultural change, hierarchies of caste, the values of older generations and the grim antecedents of Marimuthu's poor prospects, as decades of sex-selective abortion have destroyed the fabric of his community and its demographics. *Perumal Murugan's Resolve* is both a cultural critique and a personal journey: in his hands, the question of marriage turns into a social contract, deeply impacted by the ripple effects of patriarchy, inequality and changing relationships to land and community. In this deceptively comic tale that savagely pierces the very heart of the matter, translated with deft moments of lightness and pathos by Aniruddhan Vasudevan, *Perumal Murugan* has given us a novel for the ages.

Seasons of the Palm Perumal Murugan 2017 'A powerful novel . . . [Murugan] recounts the

everyday brutality of caste society in relentless detail'-The Hindu Shorty, a young untouchable farmhand, is in bondage to a paternal yet powerful landlord. He spends his days herding sheep and tilling the fields, caught between the rigours of an unforgiving life and the solace he finds in nature and the company of his friends. He struggles to keep a fragile happiness, but endless work and a stubborn hunger gnaw away at his spirited innocence. And before long, Shorty must confront the unyielding reality of his situation. Poignant and powerful, *Seasons of the Palm* is merciless in its portrayal of the daily humiliations of untouchability, but is also lyrical in its evocation of the grace with which the oppressed come to terms with their dark fate. '[Murugan's] characters, dialogues and locales are unerringly drawn and intensely evocative . . . A superb writer'-Indian Express 'The most accomplished of his generation of Tamil writers'-Caravan
