

Practice B Geometric Sequences Answer Key

Practice can be a noun or a verb, but either way it's about how things are done on a regular basis. You can practice shotput every day because your town has a practice of supporting track-and-field events. Practice means doing something regularly in order to be able to do it better. A practice is one of these periods of doing something. She was taking all three of her daughters to basketball practice every ... practice suggests an act or method followed with regularity and usually through choice. the action or process of performing or doing something: to put a scheme into practice; the shameful practices of a blackmailer. the exercise or pursuit of a profession or occupation, esp. law or medicine: ... 1. a usual or customary action or proceeding: it was his practice to rise at six; he

made a practice of stealing stamps. In the UK, 'practice' is a noun (like preparation), but 'practise' is a verb (like to prepare). The difference between practice and practise only affects those following British writing conventions. PRACTICE definition: 1. action rather than thought or ideas; 2. used to describe what really happens as opposed to what.... Learn more.
