Don't Leave God Alone Hank Kunneman 2012-10-08 In today's fast-paced society it is easy to get distracted until your much-needed time with God is lost. But God wants your attention more than anything. The Bible is filled with examples of great men and women who would not leave God alone. Their cries to God changed their lives, the lives of others and altered the course of history. "Don't Leave God Alone" explains the way to develop this type of personal relationship with God, the kind that moves His heart and makes a difference in the world.

Drawers of Power from the Heavens Dr. D. K. Olukoya 2013-12-16 Many people suffer today because of gross ignorance concerning what is actually going on in the spiritual realm. Some of the stubborn problems that men are struggling with today were actually programmed into human lives through certain hidden powers. These powers carry out their activities in the day and in the night through association with very powerful spiritual strongholds. The importance of this message is to show you that many problems are caused by powers which rule the day and the night. These powers have continued to perpetrate all forms of wickedness in the lives of millions, if not billions of men and women. You will experience a great change in your life the moment you begin to understand and control the powers that rule the day and the night.
