She Went All the Way Meggin Cabot 2002

Success hasn't spoiled screenwriter Lou Calabrese - it's just given her a taste of luxury. And it's put her in some bizarre situations - like in a helicopter en route to the wilds of Alaska, sharing too-close quarters with the last man she wants to be with: Jack Townsend! Once a sexy nobody whom Lou helped make a somebody, Jack's just been dumped by a high-profile Hollywood airhead - who's eloped with Lou's longtime love! So what else could go wrong? *What Do I Read Next? Volume 2* 2003 Gale Group 2004 This volume contains descriptions of 1,245 books in nine fiction genres, including author or editor's name, publication information, story type, major characters, setting, plot summary, and more.

princess diaries, v Meg Cabot 2008-04-22 In her heart of hearts, Mia has but one wish: an evening spent with Michael in a tux and a corsage on her wrist—in other words, the prom. Michael, however, does not seem to share the dream that is the prom. Worse still, a service workers' strike (with Grandmère and Lilly at the heart of it and on opposite sides) threatens the very existence of this year's prom. Will the strike end in time? Can Mia talk Michael out of his anti-prom views? Most importantly, will Mia get to wear her pink prom dress?

Queen of Babble in the Big City Meg Cabot 2009-10-13 With "charming" characters, "entertaining" chick lit from a #1 New York Times-bestselling "master of the genre," about a woman's coming of age in NYC (Molly Jong Fast, Publishers Weekly). Lizzie Nichols is back, pounding the New York City pavement and looking for a job, a place to live, and her proper place in the universe (not necessarily in that order). "Summer Fling" Luke's use of the "L"

(Living Together) word has her happily abandoning plans to share a one-room walk-up with best friend Shari in exchange for cohabitation with the love of her life in his mom's ritzy Fifth Avenue pied-à-terre. Lizzie's landed a non-paying gig in her chosen field—vintage wedding gown rehab—and a paying one as a receptionist at Shari's boyfriend's father's posh law firm. So life is good . . . for the moment. But almost immediately her notoriously big mouth is getting her into trouble. At work she's becoming too chummy with society bride-to-be Jill Higgins, inflaming the ire of Jill's troublesome future mother-in-law. At home she's made the grievous error of bringing up the "M" (Marriage) word to commitment-shy Luke. Once again joblessness and homelessness are looming large for hapless blabbermouth Liz—unless she can figure out some way to babble her way to a happily ever after.

She Went All the Way Meg Cabot 2009-03-17 Enemies come lovers when rivals find themselves facing the Alaskan wilderness together in this romantic comedy from a New York Times bestselling author. There are a few places screenwriter Lou Calabrese would rather be than crammed into a helicopter with Jack Townsend, star of her claim to fame, Copkiller, and whose ex just ran off with Lou's ex. Talk about uncomfortable. But when, halfway out to the isolated arctic location where Copkiller IV is currently shooting, their pilot turns murderous and their helicopter crashes, Lou realizes her day has just gotten a lot worse. Now, while family and friends back home fret over her disappearance, Lou is on the run in the arctic wilderness with America's sweetheart Jack Townsend and only the contents of her purse, his pockets, and their mutual knowledge of survival movie trivia to keep them alive. Can these two children of Hollywood put aside their differences and make it back home without killing each other? Or much, much worse, actually start to like one another? "Cabot will knock your socks off!" — Atlanta Journal-Constitution

**Educating Caroline** Patricia Cabot 2002-03-06 Lady Caroline Linford is horrified to discover... her fiancé, the Marquis of Winchilsea, in the arms of another woman. Unfortunately, Victorian society considers such masculine peccadilloes a trifle; canceling their imminent wedding would be unthinkable. But Caroline's wish is for the man she is to marry to desire only her...and she seeks lessons in the art of romance from the best teacher: London's most notorious rake. Braden Granville may be a famous lover... but he has no intention of taking part in Caroline's scheme -- until he learns she has something he wants: the name of his own unfaithful fiancée's lover. As their passionate tutelage begins, sparks fly -- and the lines between teacher and student fall away. Now there is just one last lesson to learn: on the subject of true love, the heart chooses its own unpredictable ways.

**Gone Series Complete Collection** Michael Grant 2014-06-03 This collection contains all six books in New York Times bestselling author Michael Grant's breathtaking dystopian sci-fi Gone saga. These page-turning thrillers invoke the classic *The Lord of the Flies* along with the horror of Stephen King. King himself said: "I love these books." In the blink of an eye, everyone disappears. Gone. Except for the young. There are teens, but not one single adult. Just as suddenly, there are no phones, no internet, no television. No way to get help. And no way to figure out what's happened. Hunger threatens. Bullies rule. A sinister creature lurks. Animals are mutating. And the teens themselves are changing, developing new talents—unimaginable, dangerous, deadly powers—that grow stronger by the day. It's a terrifying new world. Sides are being chosen, a fight is shaping up. Townies against rich kids. Bullies against the weak. Powerful against powerless. And time is running out: on your birthday, you disappear just like everyone else. .

. . Michael Grant's *Gone* series has been praised for its compelling storytelling, multidimensional characters, and multiple points of view. Included in this collection are: *Gone*, *Hunger*, *Lies*, *Plague*, *Fear*, and *Light*.

**Every Boy's Got One** Meg Cabot 2005-01-04 Cartoonist Jane Harris is delighted by the prospect of her first-ever trip to Europe. But it's hate at first sight for Jane and Cal Langdon, and neither is too happy at the prospect of sharing a villa with one another for a week—not even in the beautiful and picturesque Marches countryside. But when Holly and Mark's wedding plans hit a major snag that only Jane and Cal can repair, the two find themselves having to put aside their mutual dislike for one another in order to get their best friends on the road to wedded bliss—and end up on a road themselves ... one neither of them ever expected.
