Galatians Gerald Woodruff 2016-07-08 In Galatians we have a unique circumstance. Paul had assisted in the establishment of the churches in the area but they were changing. In Acts 15, there had been a council that reestablished that the Gospel was for the Gentiles also and they were not under the strict dictate of the Old Testament law but were under Grace. They established the Apostleship of Paul and sent messengers to tell this to the churches. The problem was those who were called the Judiazers. The Seven Spirits of God D.W. Knight 2018-08-23 Since the writing of the Book of Revelation by the apostle John, there have been many books written about the Seven Spirits of God. The majority of them are based on Isaiah 11:2. In his book *The Seven Spirits of God: A New and True Revelation*, D.W. Knight shows how the full revelation of the Seven Spirits of God is not contained in Isaiah 11:2. You will also learn: How the revelation of the Seven Spirits of God is contained within the writing of the Book of Revelation. The identity and function of each of the Seven Spirits of God. How the Seven Spirits of God line up with the colors of the rainbow. About the principle of duality and how it connects to the Seven Spirits of God. How the Seven Spirits of God work in the life of the believer. What the purpose of the seven horns and seven eyes that are mentioned in connection with the Seven Spirits of God. How miracles, healing, mighty signs and wonders are connected with the true revelation of the Seven Spirits of God. The Seven Spirits of God a New and True Revelation is heavily based on the Word of God. With every point that is explained there is scripture to confirm it.
