The King and Us Jahanna N. Malcolm 1990

Things don't go exactly as planned when five friends decide to try out for parts in a local production of "The King and I" in order to impress three snobby girls in their ballet class.

*Drat! We're Rats!* Jahanna N. Malcolm 2000 Five girls who otherwise would never have been friends are brought together when their mothers force them to try out for the Deerfield Ballet's production of The Nutcracker.

**Teaching and Learning on Screen** Mark Readman 2016-11-09 What stories are told about teaching and learning on TV and in film? And how do these stories reflect, refract and construct myths, anxieties and pleasures about teaching and learning? This collection looks at how pedagogy is represented on screen, and

how TV programs and films translate pedagogic ideas into stories and relationships. International in scope, with case studies and analysis from the UK, US, Australia, Turkey and Brazil—the book adopts a critical stance in relation to the ways in which theories of learning and myths about education are mobilized on screen. *Teaching and Learning on Screen: Mediated Pedagogies* provides a stimulating addition to the field of media and cultural studies, while also promoting debate about particular pedagogic models and strategies that will contribute to the professional development of educators and those involved in teacher education.

**Ellie & the Bunheads** Sally Warner 1997 The author of the highly acclaimed *Dog Years* and *Some Friend* returns with a timely look at the highly competitive world of professional

dance. Thirteen-year-old Ellie Lane isn't sure she's cut out to be a bunhead--one of those girls with their hair tightly knotted in a bun and leg-warmers fashionably scrunched around their ankles. She loves to dance but with ballet class every afternoon there's hardly any time to see her friends or pursue other interests.

Competition is so intense that her best friend has a private coach and another is seeing a shrink. And then there's her mother who's pressuring her to audition for the prestigious Philadelphia Dance Theater. It's just too much! But by the time audition day arrives, Ellie finds a way to take her life and its decisions into her own hands. Dealing frankly but humorously with real-life issues like self-esteem, depression, parental problems, and young love, Sally Warner proves once again that she has her finger squarely on the pulse of the middle-grade reader.

**A Dog Named Toe Shoe** Jahanna N. Malcolm  
1991-02 The gang finds a stray mutt near their

dance school and decide to make him their mascot, but none of the gang's parents will let them have a dog.

**ABC Family to Freeform TV** Emily L. Newman  
2018-02-20 Launched in 1977 by the Christian Broadcasting Service (originally associated with Pat Robertson), the ABC Family/Freeform network has gone through a number of changes in name and ownership. Over the past decade, the network--now owned by Disney--has redefined "family programming" for its targeted 14- to 34-year-old demographic, addressing topics like lesbian and gay parenting, postfeminism and changing perceptions of women, the issue of race in the U.S., and the status of disability in American culture. This collection of new essays examines the network from a variety of perspectives, with a focus on

inclusive programming that has created a space for underrepresented communities like transgender youth, overweight teens, and the deaf.

**It Chicks** Tia Williams 2007-04-02 What they want is fame. All they have is drama. Welcome to Louis B. Armstrong, New York City's most prestigious performing arts school, where the gifted, wanna-be starlets, and *It Chicks* are all on the rise. But when rehearsals give way to hot and heavy after-school sessions away from the barre and without the mic, the real drama begins. Meet the hottest cast in town: Tangie, the Dreamer. Skye the Drama Queen. Eden the Bombshell. Trey the Bad Boy. CJ the Thug with the Heart of Gold. Izzy the Wild Child. Regina the Silent Threat. And the Entourage: Marisol, Kamillah, Blackadocious, Vineet, and Lyle. They're all playing the fame game and will do whatever it takes to nail it.

[The Women of Amy Sherman-Palladino](#) Scott

Ryan 2019 Smart, quirky, female-centric, drenched in pop-culture references - Amy Sherman-Palladino's singular TV voice has won her legions of fans and critical appreciation over the past two decades, thanks to shows like *Gilmore Girls*, *Bunheads*, and *The Marvelous Mrs. Maisel*. Sherman-Palladino - the first woman ever to win Emmy Awards for both comedy writing and directing in a single year - may write about different decades and milieus, but her sensibility is unique and unmistakable throughout. Her greatest contribution may be her pantheon of unforgettable female characters, including Lorelai Gilmore (Lauren Graham), Rory Gilmore (Alexis Bledel), Sookie St. James (Melissa McCarthy), Michelle Simms (Sutton Foster), Susie Myerson (Alex Borstein), and Miriam "Midge" Maisel (Rachel Brosnahan). In *The Women of Amy Sherman-Palladino*, writers from different walks of life - scholars, critics, writers, comedians, dancers -- take us on a journey through the worlds of these

characters, and how they have influenced their own lives. This is the second book in the Women of . . . series from Fayetteville Mafia Press, after *The Women of David Lynch*, published in June 2019. This unique series, covers great female characters in television and film.

**Bunheads** Misty Copeland 2020-09-29 Instant New York Times bestselling series opener inspired by prima ballerina and author Misty Copeland's own early experiences in ballet. From prima ballerina and New York Times bestselling author Misty Copeland comes the story of a young Misty, who discovers her love of dance through the ballet *Coppélia*--a story about a toymaker who devises a villainous plan to bring a doll to life. Misty is so captivated by the tale and its heroine, Swanilda, she decides to audition for the role. But she's never danced ballet before; in fact, this is the very first day of

her very first dance class! Though Misty is excited, she's also nervous. But as she learns from her fellow bunheads, she makes wonderful friends who encourage her to do her very best. Misty's nerves quickly fall away, and with a little teamwork, the bunheads put on a show to remember. Featuring the stunning artwork of newcomer Setor Fiadzigbey, *Bunheads* is an inspiring tale for anyone looking for the courage to try something new.

*Battle of the Bunheads* Jahanna N. Malcolm McGee, Gwen, Mary Bubnik, Zan and Rocky are not happy when they found out that Courtney and the other *Bunheads* (snobby ballerinas who wear their hair in buns) will be in their ballet class.

**Bunheads, Act 2** Misty Copeland 2025-09-16  
The Instant New York Times Bestselling Bunheads by Misty Copeland gets a second act. Misty and her bunhead crew are back! And this time, they're excited to learn the ballet Don Quixote—a wondrous tale about a brave knight searching for his Dulcinea, his one true love. Misty's best friend, Cat, loves this ballet most of all. She thinks Don Quixote's quest to find love is romantic, but she also knows the story's real hero is Kitri, the daughter of an innkeeper, who boldly defies her father to marry for love instead of money. The class is spellbound as Cat tells them the story, and their teacher agrees Don Quixote is the perfect next ballet for their class

to perform. The bunheads get right to work learning the ballet. Misty hopes to land the role of Cupid, and she knows the role of the strong-willed Kitri could only be played by Cat. But when Cat is injured and unable to perform, she weathers her disappointment with courage and a dose of girl power that would make Kitri proud. Bunheads, Act 2: The Dance of Courage is an inspiring tale for anyone who's ever suffered a setback or had a dream deferred. Setor Fiadzigbey returns to bring Misty Copeland's bunhead crew to vibrant life with illustrations that will enthrall.

**Bunheads** Sophie Flack 2011-10-10 A vibrant and absorbing novel about the competitive world of professional ballet, written by a former New York City Ballet dancer. As a dancer with the ultra-prestigious Manhattan Ballet company, nineteen-year-old Hannah Ward juggles intense rehearsals, dazzling performances, and complicated backstage relationships. But when she meets a spontaneous and irresistibly cute

musician named Jacob, her universe begins to change. Until now, Hannah has happily followed the company's unofficial mantra, "Don't think, just dance." But as Jacob opens her eyes to the world beyond the theater, Hannah must decide whether to compete against the other "bunheads" for a star soloist spot or to strike out on her own. Don't miss this behind-the-scenes look at the life of a young professional ballet dancer, written by an insider who lived it all.
