Claudian and the Roman Epic Tradition Catherine Ware 2012-05-24 The historical importance of Claudian as writer of panegyric and propaganda for the court of Honorius is well established but his poetry has been comparatively neglected: only recently has his work been the subject of modern literary criticism. Taking as its starting point Claudian's claim to be the heir to Virgil, this book examines his poetry as part of the Roman epic tradition. Discussing first what we understand by epic and its relevance for late antiquity, Catherine Ware argues that, like Virgil and later Roman epic poets, Claudian analyses his contemporary world in terms of classical epic. Engaging intertextually with his literary predecessors, Claudian updates concepts such as furor and concordia, redefining Romanitas to exclude the increasingly hostile east, depicting enemies of the west as new Giants and showing how the government of Honorius and his chief minister, Stilicho, have brought about a true golden age for the west.

The Mirror Nora Roberts 2024-11-19 #1 New York Times bestselling author Nora Roberts continues the hauntingly spectacular Lost Bride Trilogy with book two, *The Mirror*. When Sonya MacTavish inherits the huge Victorian mansion on the coast of Maine, she has no idea that the house is haunted. The footsteps she hears at night, the doors slamming, the music playing, are not figments of her imagination. In her dreams she sees glimpses of the past. In the present she finds portraits of brides. And when she has visions of an antique mirror, she is drawn to it, sensing it holds dark family secrets. Then one night the mirror appears and Sonya glides through this looking glass, into the past—and sees a bride murdered on her wedding day, the circle of gold torn from her finger. It is a scene that will play out again and again—a centuries-old curse that must be broken—and a puzzle she must solve if there is any hope of breaking the curse.

They may be illusions—but illusions can be powerful enough to wound and kill. She feeds on fear, and lies are her weapon. This dark-hearted witch wants to be mistress of Poole Manor, at any cost.
