Essentials of Business Law Mann, Richard A. 2010

Essentials of Business Law Suzy Rogers 2012 'Essentials of Business Law' combines coverage of a wide variety of business law topics with a succinct style. Business people are required to adhere an array of legal codes and standards, and a basic understanding of these laws is important to business ethics and success. Coverage includes both traditional business law topics, such as basic legal principles, contractual law, the Uniform Commercial Code, property and employment rights, business relationships and organizations, as well as "Business Law in the 21st Century," where the timeliest issues in business such as cyberlaw, international law, and environmental law are studied. The text incorporates many business scenarios, summarized cases, and ethics boxes to help students avoid legal troubles and ultimately make better business decisions.

Essentials of Business Law and the Legal Environment Richard A. Mann 1998 Complete coverage of business law and its environment in a nontechnical, straightforward style. Cases are summarized and integrated into each chapter. Legal issues and court decisions are carefully explained with a minimum of legal jargon, and it covers all required business law topics for the CPA exam.

Essentials of Business Law Anthony Liuzzo 2025 "The new, twelfth edition of the Essentials of Business Law program is a practical, concise, and broad-based introduction to the vibrant field of business law. While continuing to offer all of the features that have made the ten prior editions successful, this new edition includes a chapter on the areas of law affected by social media, updated content, and enhanced support materials. Both the traditional areas of law, such as contracts and property, and the emerging areas of law, such as e-commerce and environmental, are covered in short, informative chapters written to capture the essence of each topic. The objective of the text throughout its coverage is ease-of-use, ease of teaching, ease of assessment, and ease of understanding. It has been developed for those seeking a more fundamental overview of the concepts and principles that are vital to the understanding of business law"--
