Management Today Terri A. Scandura

2019-12-04 Today's ever-evolving workplace requires managers to hone new skills so they can make informed decisions, manage diverse

teams, and lead change. *Management Today: Best Practices for the Modern Workplace* cuts through the noise by introducing students to evidence-based management theories, models, and strategies. Experiential activities, critical thinking questions, and self-assessments provide students with hands-on opportunities to practice essential management skills. Authors Terri A. Scandura and Kim Gower provide best practices and explore timely issues like emotional intelligence, cultural intelligence, and virtual teams. Real-world cases explore good and bad examples of management, including the college admissions scandal, Theranos, and Walmart. In-depth coverage of big data, data analytics, and technology ensures students are ready to thrive in today's workplace. This title is accompanied by a complete teaching and learning package.

Garrison 2004 This study aid, written by Eric Noreen, provides suggestions for studying chapter material, summarizes essential points in each chapter, and tests students' knowledge using self-test questions and exercises.

Introduction to Managerial Accounting Peter C. Brewer 2006 Introduction to Managerial Accounting, 3/e by Brewer/Garrison/Noreen is based on the market-leading text, Managerial Accounting, by Garrison, Noreen and Brewer. However, this is not simply a briefer book with chapters removed; B/G/N has been rethought and retooled to meet the needs of the market.

B/G/N 3/e is a more accessible, yet thoroughly student-friendly text that satisfies the basic needs of the managerial accounting student without unnecessary depth on advanced topics associated with the follow-up course, cost accounting/cost management. Faculty and students alike will find this new edition has retained the hallmark features of the Garrison brand: author-written supplements, excellent readability, terrific examples, and balanced end-of-chapter material.
