Ebook: Fundamentals of Corporate Finance

Personal Finance Barbara Friedberg 2015-04-14 This jargon-free resource explains the who, what, why, and where of contemporary personal finance in simple, easy-to-grasp language, covering the key people, events, terms, tools, policies, and products that make up modern money management. The ideal roadmap to 21st-century financial literacy, this layman's encyclopedia discusses ideas, concepts, events, and people that inform money management and personal finance. It explains the intricacies of things like investing, saving, debt, credit, and mortgages, and it drills down into complexities like the difference between 401(k) and 403(b) retirement plans. Entries invite the reader to explore common financial topics, such as seeking credit counseling, using credit cards, buying a home, and choosing insurance. Issues such as identity theft, derivatives, and taxes are explored as well. The unique

work is topically organized with contributions from both academics and financial professionals. Entries are augmented by entertaining sidebar anecdotes and a glossary, and there is a useful feature that connects readers to online sources, enabling them to keep up with this fast-changing field. A one-stop resource ideal for individuals seeking to understand personal finance, this book will also prove valuable to students taking courses in finance and economics. All readers will come away better equipped to profit from money management and more skilled at making smart financial decisions.

*EBOOK: Essentials of Investments: Global Edition* Zvi Bodie 2013-01-16 Introducing... Essentials of Investments, 9th Global Edition, by Zvi Bodie, Alex Kane and Alan J. Marcus. We are pleased to present this Global Edition, which has been developed specifically to meet the needs of international Investment students. A market leader in the field, this text emphasizes asset allocation while presenting the practical applications of investment theory without unnecessary mathematical detail. The ninth edition includes new coverage on the roots and fallout from the recent

financial crisis and provides increased content on the changes in market structure and trading technology. Enhancements to this new Global Edition include: - New 'On the market front' boxes highlight important investment concepts in real world situations across the globe, to promote student thinking without taking a full case study approach. Topics include short-selling in Europe & Asia, credit default swaps and the debt crisis in Greece and include examples from Commerzbank, JP Morgan, Facebook, Coca-Cola, Santander, The European Energy Exchange, plus many more! - Revised worked examples illustrate problems using both real and fictional scenarios from across the world to help students develop their problem solving skills. Regional examples include Hutchinson Whampoa (Asia), The Emirates Group (The Middle East) and KLM Royal Dutch Airlines (The Netherlands). - Revised end-of chapter material includes brand new global questions and global internet exercises that feature currencies, companies and scenarios from Europe, Middle East, Africa and Asia to increase engagement for international students. - Global Edition of Connect Plus Finance, McGraw-Hill's web-based assignment and assessment platform with eBook access, helps students learn faster, study more efficiently, and retain more knowledge. This Global Edition has been adapted to meet the needs of courses outside of the United States and does not align with the instructor and student resources available with the US edition.
