**You, Your Child, and School** Sir Ken Robinson, PhD 2019-03-12 An essential book for parents to help their children get the education they need to live happy, productive lives from The New York Times bestselling author of *The Element* and *Creative Schools* Parents everywhere are deeply concerned about the education of their children, especially now, when education has become a minefield of politics and controversy. One of the world's most influential educators, Robinson has had countless conversations with parents about the dilemmas they face. As a parent, what should you look for in your children's education? How can you tell if their school is right for them and what can you do if it isn't? In this important new book, he offers clear principles and practical advice on how to support your child through the K-12 education system, or outside it if you choose to homeschool or un-school. Dispelling many myths and tackling critical schooling options and controversies, *You, Your Child, and School* is a key book for parents to learn about the kind of education their children really need and what they can do to make sure they get it.

**Schools on Trial** Nikhil Goyal 2017-01-10 A devastating critique of the American way of education and a hopeful blueprint for change which can unlock the creativity and joy of learning inherent in all students. In this

book Nikhil Goyal—a journalist and activist, whom The Washington Post has dubbed a "future education secretary" and Forbes has named to its 30 Under 30 list—both offers a scathing indictment of our teach-to-the-test-while-killing-the-spirit educational assembly line and maps out a path for all of our schools to harness children's natural aptitude for learning by creating an atmosphere conducive to freedom and creativity. He prescribes an inspiring educational future that is thoroughly democratic and experiential, and one that utilizes the entire community as a classroom.
