The Mother's Manual Audrye S. Arbe 2019-08-05 Who am I and where do I come to write this book? I feel it necessary to address all aspects of motherhood, so I decided to include both the sweetness and delight plus the shadow side of motherhood in this book. Some challenging life situations occur that are vital for us to consider, so I am including some disquieting statistics. Because many women (and men) have refrained from checking within themselves or making an examination on emotional, mental, physical and spiritual planes about having children,

hardships have been created, both personally and planetary.

The Master Key System with Study Guide Charles F. Haanel 2022-06-28 This powerful, beautifully designed book includes a 21st century study guide filled with practices and exercises that will flood your conscious and subconscious mind, heart, and soul, with positive energy and life-enhancing ideas. The Master Key System, one of the finest studies in personal power, metaphysics, and prosperity consciousness, is possibly the greatest personal development book ever written. Among the first books to use the phrase Law of Attraction, which has become such a popular term today when referring to the most powerful force in the universe, The Master Key System, along with The Science of Getting Rich, was the source of Rhonda Byrne's inspiration for the book and film The Secret. Originally published in 1912 as a correspondence course, it teaches that everything around us was first just a thought. Using it as the sign of creative energy, thought becomes a powerful force that can turn any idea into a reality. In this deluxe edition and study guide, you will learn: How to use the power of thought to realize your dreams How to create abundance and wealth How to find happiness New Thought beliefs including The Law of Attraction Creative Visualization Ultimate principles, causes, effects, and laws that underlie success The

Importance of truth and harmony How to unlock your potential It is rumored that while attending Harvard University, Bill Gates discovered The Master Key System. It was this very book that inspired him to drop out and pursue his dream of “a computer on every desktop.”
