Desire Leon Beaton 2012-07-10 You can transform your potential into a new reality. By tapping into your divine inspiration, you can discover the skills you need to create the life you desire and deserve. If you're like most people, you will awake one morning and ask yourself the big question of life: What am I to be in this world? If you feel that your life is not what it was

intended to be, or that it's just not all that you dream it could be, you have the capacity to change that. By discovering your own inner guidance, greatness and potential, you can live a life of purpose, fulfillment, and joy. Leon Beaton has spent more than thirty years helping young adults realize what makes them unique, powerful, and valuable. Now he shares the best of his experience with you in *Desire: Connecting with Your Divine Inspiration*. Once you learn how to connect with your divine inspiration, you'll discover the skills to live the life you were destined to live. *Desire*: What is it that you really want to do with your life? *Energy*: Discover how to access the inner energy you require to achieve your desire. *Success*: What is success and how do you define it for yourself? *Intuition*: Discover how to activate your own internal

guidance system. Result: Discover how to achieve the results you're destined to create in your life. Evolve: Discover how to trust, follow and appreciate your evolving life journey. Your body intuitively knows what you are to be in your life. Now you can learn to consciously tune in to it for guidance and follow your intuition.

Bible Stories and Contemporary Times in Poetic Lines AUGUSTINE JOSEPH 2011-11-30

In an examination presented in verse, Bible Stories and Contemporary Times in Poetic Lines focuses on the connection between biblical stories and our modern lives. The rainbow on the cover represents biblical stories as a whole, while the computer symbolizes the modern times in which we live. Whether the subject is ancient or modern times, however, human nature and behavior have not changed very much; the lessons in the Bible are as vitally important to everyday life now as they were when they were

first written. Including both beloved Bible stories and contemporary topics as told in poetry, this collection seeks to enable readers to improve their understanding of key Bible passages and to increase their biblical knowledge. Reflect on both the ancient and the modern with this unique compilation of verse. Put In but Driven Out Adam, In and Out of the Garden Genesis 2:8-24 The good Lord had created the very first man And gave him the masculine name of Adam, Soon after God planted a lovely garden In a beautiful place, called the Garden of Eden. The garden was huge with rich soil deposit, As four big rivers did flow through it. And beautiful foliage did grow all around, Some serving as food to make Adam strong

About My Father's Business Workbook John L. Donelson 2025-10-24 About My Father's Business is more than a book—it's a blueprint for building a life and business rooted in divine purpose. Designed as a hands-on workbook, this

guide equips faith-based entrepreneurs to align their ventures with biblical principles, spiritual clarity, and personal calling. Through seven foundational questions—Who am I? Why am I here? What can I do? When am I most effective? Where am I from? Where am I going? How will I get there?—You'll uncover the spiritual architecture that supports your identity, unlocks your potential, and clarifies your promise. This book challenges the myth that life is random or that God's ways are unknowable. Instead, it reveals how predictable patterns emerge when you practice the principles laid out in His Word. If you're ready to do business by the Book, this workbook will help you build a foundation that lasts—in this life and beyond.

Road to Greatness Pritam S. Sahota Donald A. Assmann Mary Arnella-Venezia Michael Rubell Gulzar S. Sandhu Zbigniew W. Wojcinski 2022-04-08 “Greatness” has been defined as a quality of being great, distinguished, or eminent. “Road to Greatness” employs examples of selected individuals who achieved greatness. The road begins with a desire to become successful by creating a personal path to attain exceptional goals. “Genius= 1% Inspiration and 99% Perspiration.” - Thomas Edison (Inventor: He made 1000 unsuccessful attempts before inventing the light bulb.) “Never, never, never, never give up.” - Sir Winston Churchill (Historian, Nobel Prize Winner in Literature (1953) and Prime Minister of the UK during World War-2.) “A person who never made a mistake never tried anything new.” - Albert Einstein (Theoretical physicist; Winner of the 1921 Nobel Prize in Physics.) “If you can dream it, you can do it.” - Walt Disney (Entrepreneur,

animator, writer, film producer; record holder for individual Academy Awards.) “People do not decide to become extraordinary. They decide to accomplish extraordinary things.” Sir Edmund Hillary (Mountaineer, explorer, philanthropist; first climber with Tenzing Norgay to summit Mount Everest in 1953). “Road to Greatness” explores four groupings of over forty success factors that are instrumental in extraordinary achievement: Physical and Mental Fitness Connection of Inner and Outer Circles Constant Learning Skill Development Achieving competence in the success factors enhances an individual’s ability to achieve greatness and can be developed through discipline and deliberate practice by incorporation in small increments into routine activities. True greats consistently grow through self-awareness to overcome their limitations, take on challenges, and endeavor to face the obstacles they encounter. The characteristics and traits that drive greatness are inherent within all of us and can be applied

to any field, subject, or discipline. “Road to Greatness” provides a roadmap to create a personalized path to extraordinary achievement for students, parents, teachers and graduates entering the workforce. Although it is uncertain what challenges you will face, the roadmap and exploration of greatness arms you with the tools you will need. As such, only one question remains: Are you willing to embark on your own road to greatness?
