Secrets of Success. Business English Course

Alexander Chumakov 2022-08-04 The reason I've created this Secrets of Success -Business English Course is because many English learners have difficulties understanding and using real business English. By real business English I mean: general understanding of a real business, what kind of games business people play; what it takes to be a real business person and what a truly remarkable leader should be. I'll guide you and I'll train you and I'll give you that «secret weapon» so that you can speak excellent business English.
