The Confidence Gap Russ Harris 2011-09-13 Drawing on Acceptance and Commitment Therapy and mindfulness practices, this guide offers breakthrough insights and simple techniques for developing deep-seated, long-lasting confidence Too many of us miss out on opportunities in life because we lack self-confidence. Whether it's public speaking, taking on a leadership role, or asking someone for a date, there are situations in which we just don't feel equipped to handle the challenges we face. Russ Harris offers a surprising solution to low self-confidence, shyness, and insecurity: Rather than trying to "get over" our fears, he says, the secret is to form a new and wiser relationship with them. Paradoxically, it's only when we stop struggling against our fearfulness that we begin to find lasting freedom from it. Drawing on the techniques of Acceptance and Commitment Therapy (ACT), a cutting-edge form of cognitive-behavioral therapy, The Confidence Gap explains how to: • Free yourself from common misconceptions about what confidence is and how to build it • Transform your relationship with fear and anxiety • Clarify your core values and use them as your inspiration and motivation • Use mindfulness to effectively handle negative thoughts and feelings. "This book could save you years of psychological struggle, yank you out of negative emotional patterns, and help propel you to a much happier, more productive life." —Martha Beck, author and Oprah Winfrey's life coach

Instant Confidence The INSTANT-Series 2014-10-03 The Instant-Series Presents "Instant Confidence" How to Be Confidence Instantly! Are you somebody who simply lacks confidence and have no self-esteem, always worrying about what other people think of you, or how you're coming across to others? Confidence is the power to getting anything and accomplishing everything you want. Without it, you will find yourself in a

lonely, dark depressive place that hinders you in life and whatever you do will be much more difficult than it should. You'll always question and doubt yourself, feel vulnerable as a victim, be uncomfortable around other people, fail to stand up for yourself or take initiative to go after what you want, whether job opportunities or that person you want to talk to... Making great connections who can help you professionally, real good friends who will support you no matter what, or the love of your life who you want to spend the rest of your life with...all because you are not confident to initiate the conversation, but instead freeze or act weird, having them reject you...causing you not to be outgoing. Yet, people always say all you have to do is stop being shy and believe yourself, but as you probably should know, it is not easy as it sounds. Do you want to know how you can be more confident now, and not talking about the same old "fake it til you make it" but actual real long-lasting permanent confidence fast? Within "Instant Confidence": What little simple things you can do right now to become more confident with yourself and stop being self-conscious about anything and everything. What exactly is confidence, and what it's made up of? There are a lot my myths out there, now the myths demystified so you know how to bring forth your confidence. How you are your own worst enemy and the biggest things that destroy your confidence you must avoid immediately, even if you are naturally confident because that won't matter. How to be confident when meeting new people and talking with others to keep conversation going, without freezing and appearing awkward, to meet and make new professional connections and friends or have more dates. How to build unstoppable long-lasting permanent confidence everyday and blaze through life at whatever it throws at you! Plus, custom practical "how-to" strategies, techniques, applications and exercises to improve your confidence. ...and much more. Become much more confident now!
