**Doubting Toward Faith** Bobby Conway 2015-09-01 Contrary to popular belief, doubt is not the opposite of faith. Rather, doubts call for an important decision—will you give in to unbelief, or will you continue the journey toward faith? Doubt can lead to confusion, hopelessness, and despair. But as this eye-opening book demonstrates, doubts can also deepen your dependence on God, develop your sense of empathy for others, and motivate you to find satisfying answers to life's biggest questions. Here you'll find practical ways to use your doubts to build your faith, such as... letting your doubts drive you to Jesus finding a safe community where you can doubt out loud and find support using a journal to clarify your doubts and the answers you find No one can eliminate all doubt this side of heaven. So for now, discover how to use your doubts to keep you headed in the right direction—toward faith.

Sterling Professor and chair of the French Department of Yale University for more than four decades, Peyre was also the author of forty-four books, a brilliant speaker, and a mentor to two generations of students. He left enormous legacies as both teacher and scholar. Peyre also left a large and fascinating body of correspondence. This collection of his letters documents the era in which he lived.
