Activating and Engaging Learners and Teachers Carmen Amerstorfer 2023-03-13 This book offers a nuanced, integrated understanding of EFL learning and instruction and investigates both learner and teacher perspectives on four thematically interconnected parts. Part I encompasses chapters on psychological aspects related to teaching and learning and presents the latest research on positive language education, teacher empathy, and well-being. Part II deals with EFL teaching methodology, specifically related to teaching pronunciation, language assessment, peer response, and strategy instruction. Part III addresses aspects of cultural learning including inter- and transculturality, digital citizenship, global learning, and cosmopolitanism. Part IV concerns teaching with literary texts, for instance, to reflect on social and political discourse, facilitate empowerment, imagine utopian or dystopian futures, and to bring non-Western narratives into language classrooms.

After Ellen Datlow 2013-02-12 Travel to future worlds where teens live in the wake of catastrophic disasters in this anthology featuring nineteen stories from YA and adult authors. "Engrossing. . . Fans of the genre will naturally gravitate toward *After* and find much to enjoy. Others may simply be attracted to the names Jane Yolen, Garth Nix, Gregory Maguire, Beth Revis, Cecil Castellucci, and Carrie Ryan; even if they come for their favorites, they'll want to stick around for the rest." — Booklist If the melt-down, flood, plague, the third World War, new Ice Age, Rapture, alien invasion, clamp-down, meteor, or something else entirely hit today, what would tomorrow look like? Some of the biggest names in YA and adult literature answer that very question in this short story anthology, each story exploring the lives of teen protagonists raised in catastrophe's wake—whether set in the days after the change, or decades far in the future. New York Times–bestselling authors Gregory Maguire, Garth Nix, Susan Beth Pfeffer, Carrie Ryan, Beth Revis, and Jane Yolen are among the many popular and award-winning storytellers lending their talents to this original and spellbinding anthology. "A fine selection for new readers looking to sample this type of fiction or for dedicated fans seeking fresh voices." — Kirkus Reviews "There is much here to savor, and fans of dystopias won't be disappointed." — School Library Journal
