The meaning of ANYONE is any person at all. How to use anyone in a sentence. Jun 28, 2024 · The word “anyone” and the phrase “any one” may seem exactly alike, but they fall into different grammatical categories. When you’re writing, should you use “anyone” or “any one?” Read ... Anyone, anybody and anything are indefinite pronouns. We use anyone, anybody and anything to refer to both an open, unlimited set of things or people and specific things or people. Summary Is it anyone or any one? These two spellings are never interchangeable. Anyone is a pronoun referring to an unspecified person. Any one is a noun phrase that was once used as a pronoun. ... But there is a difference in meaning between the one- and two-word versions: when you type anyone, you're referring to

people; when you type any one you may be referring to people, but not necessarily ... You use anyone in statements with negative meaning to indicate in a general way that nobody is present or involved in an action. I won't tell anyone I saw you here. You needn't talk to anyone if you don't ... ANYONE definition: any person at all; anybody. See examples of anyone used in a sentence.
