Doing Your Social Science Dissertation Judith Burnett 2009-05-13

Dissertations can be the most rewarding, and for some the most stressful, part of any undergraduate degree course, providing the opportunity for students to pursue a chosen subject in some depth, developing their expertise. The dissertation offers many challenges to those seeking to do it well and this guide is the perfect book for those seeking to succeed with their dissertation. Judith Burnett helps students to rise to this challenge, making the most of the opportunities which a dissertation offers and overcoming the obstacles to successful completion. This book takes students through the process of doing a dissertation from turning the raw ideas into a research question, designing the research project, choosing appropriate methods, developing a research proposal, planning and executing the project,

working with data, writing up, and preparing the work for presentation. *Doing A Dissertation in the Social Sciences* is an invaluable guide to avoiding the pitfalls and making the most of the opportunities offered by the dissertation. It ought to be compulsory reading for undergraduate students in any social science discipline. SAGE Study Skills are essential study guides for students of all levels. From how to write great essays and succeeding at university, to writing your undergraduate dissertation and doing postgraduate research, SAGE Study Skills help you get the best from your time at university. Visit the SAGE Study Skills hub for tips, resources and videos on study success!

Publish Your Family History Dina C Carson 2015-01-23 If you have stories to share with your family, whether you have been researching a short time or a long time, this book will: * take you through the four stages of publishing projects * show you how publishing works * help you pick a project to publish * lead you through a research review to see what you have and what you still need to tell the stories in a compelling way * give you the skills to become a good storyteller * lead you through the process of editing * instruct you how to prepare your manuscript to look like it was professionally published and * help you spread the word that you have a book available Everything you need to write and publish your family history. Keywords: family history, genealogy, write a family history, write a genealogy, publish your family history, how to self-publish, book publishing, storytelling, book marketing, designing a book Horrible Words Rebecca Gowers 2016-03-31 Nothing inflames the language gripers like a misplaced disinterested, an illogical irregardless, a hideous operationalisation. To purists these are 'howlers' and 'non-words', fit only for scorn. But in their rush to condemn such terms, are the naysayers missing something? In this provocative and hugely entertaining book, Rebecca Gowers throws light on a great array of horrible words, and shows how the diktats of the pedants are repeatedly

based on misinformation, false reasoning and straight-up snobbery. The result is a brilliant work of history, a surreptitious introduction to linguistics, and a mischievous salute to the misusers of the language. It is also a bold manifesto asserting our common rights over English, even as it questions the true nature of style.

A Classified Catalogue of ... Educational Works in Use in the United Kingdom and Its Dependencies in 1876 ... 1876

Complete Writing Guide Graham King 2009 This is a useful guide for all who aspire to improve their writing skills. Whether you want to write a novel, draft a report for the School Board, create a compelling CV, write a letter of protest to the Council that will be taken seriously, or enter the world of e-mail, this book is for you.

Waterstone's Guide to Books Waterstone & Co 1988

Rocky Shores John Archer-Thomson 2019-02-21 An engaging account of the natural history of rock and boulder-strewn shores around Britain's coastline. Rocky Shores explores the species, communities and landscape of the narrow strip of land surrounding much of the British Isles. While it may be limited in extent, this habitat is incredibly biodiverse, and this insightful book details all the patterns of marine life that might be encountered on sheltered and exposed shores, from the inhospitable splash zone to the repeatedly submerged lower shore, and everything in between. Comprehensive chapters accompanied by exceptional photographs cover various members of the rocky-shore community in turn: striking lichens that colourfully adorn the rocks; seaweeds that have sustained human settlements for millennia; mysterious and often spectacular worms and their relatives; molluscs with variously configured shells; spiny-skinned echinoderms that move using tube feet; arthropods that range from tiny marine insects to heavy-clawed crabs; and microscopic species that drift around at the mercy of the tides. Rock pools provide pockets of diversity dotted across the shore, while the strandline at the high-tide mark supports a unique assemblage of microbes and invertebrates that attracts a variety of birds and mammals. For anyone with a love of the shore - from the occasional rockpooler to avid naturalists - this book is a must for your collection.

Collins Good Writing Guide Graham King 2005 The Collins Writer's Guide is the essential single-volume guide for all who aspire to improve their writing skills

Mastering Communication Nicki Stanton 2009-07-16 This book will help students improve their speaking, listening, reading and writing skills. It will give an understanding of the importance of good communication skills for their personal development and career. It is relevant to a variety of courses: HE, FE, Professional, Open University, A-level and International Baccalaureate.

Contemporary Office Handbook P M Saleem 2012-12-04

Contemporary Office Handbook emphasizes the critical skills, traits, and knowledge required to effectively face the emerging workplace realities.
