FLAWED!. MEADE. FISCHER 2020

Perfectly Flawed Shakeerah Oatis 2015-12-15 Perfectly Flawed is a book based on not being perfect and living up to societies standards of waking up flawless. Society paints this picture that we have to be perfect and without blemish. Especially in the African American Community where to have a flaw like mental illness, rape and incest. Family secrets are only to be kept within the household because it's taboo to talk about these things. While the perception of a perfect family is to be portrayed to the outside world. Keeping secrets only leads to emotional breakdown. It's ok to go to God and seek outside help. This book points out flaws and no one is perfect and the character realizes she is perfectly flawed.

Flawed Kate Avelynn 2012-11-20 Sarah O'Brien is alive because of the pact she and her brother made twelve years ago — James will protect her from their violent father if she promises to never leave him. For years, she's watched James destroy his life to save hers. If all he asks for in return is her affection, she'll give it freely. Until, with a tiny kiss and a broken mind, he asks for more than she can give. Sam Donavon has been James' best friend — and the boy Sarah's had a crush on — for as long as she can remember. As their forbidden relationship deepens, Sarah knows she's in trouble. Quiet, serious Sam has decided he's going to save her. Neither of them realize James is far more unstable than her father ever was, or that he's not about to let Sarah forget her half of the pact . . .

FLAWED BUT FABULOUS. ASHAY. SHAKES 2024

Flawed Oliver T Spedding 2024-02-16 Edward Horner was born with a silver spoon in his mouth but the spoon is tarnished as he suffers from a debilitating lack of self respect and self confidence. This has dire consequences for him in his later years as he squanders his inherited fortune due to his irrational determination to prove himself. It also creates an inability to confidently implement his own creative ideas. Edward's marriage to Cynthia fails as he avoids the responsibilities of marriage and fatherhood. His relationships and the various enterprises that he attempts to establish all fail as a result of his lack of self-confidence and his failure to be forceful about his opinions. Frustration at his helplessness and fear of failure become his constant companions. Coupled with this is his failure to provide for his old age due to his incessant unrealistic imaginings of success and wealth. Dream follows dream until suddenly there is no time for another dream. As Edward's deteriorating financial status gains momentum, he becomes the victim of his own naïve and desperate behaviour. The position of weakness that he constantly finds himself in adds to his frustration and despair. Belatedly he begins to see the error of his ways but is incapable of changing the debilitating self image and lack of confidence that he has been burdened with during his lifetime. Edward's failure isn't solely of his own making though.

Rules of Survival Jus Accardo 2014-06-02 A new adult novel from Entangled's Embrace imprint... If you want to survive, you have to follow the rules... Mikayla Morgan is wanted for her mother's murder. She's been on the run for almost a year now, avoiding not only the police but the real killer. Tired of running and desperate to clear her name, she breaks one of the most sacred rules: never return to the scene of the crime. Every bounty hunter on the Eastern Seaboard is after the Morgan girl—but Shaun Denver and his partner snagged her. She's a piece of work, and Shaun can't decide if he wants to kiss her or kill her. When things take a sharp turn south, Shaun does the only thing he can think of to keep her close—he handcuffs them together. As the danger mounts and the killer closes in, the chemistry between them threatens to explode. Shaun and Kayla will need to break all the rules if they hope to get out of this alive.
