Additionally, there are new lessons on various performance-based jazz piano concepts such as: tone production; independence between the hands, comping, making clear transitions between playing ... On these pages, for all its chaotic diversity of style and expression and for all the complexity of its social origins, jazz is presented as a coherent whole, and its history as a skillfully contrived and easily ... The Friday Night Jazz Band feat. Yolanda Robinson. 2:45 pm - 125th Birthday Celebration for Louis Armstrong feat. New Groove Brass Band with Young Men Olympian Jr. Benevolent Association, ... most jazz tunes utilize a recurring chord progression that serves as the structure of the tune; the way in which the sections of the progression are grouped

determines the form of the tune The universal love of jazz and its identification with America is about the personal freedom of expression and democracy in action. In order to be a responsible citizen, we need to be educated and articulate. The only truth is in the music itself. "Theory" is the little intellectual dance we do around the music, attempting to come up with rules so we can understand why Charlie Parker and John Coltrane ...
