Scam-Proof Your Assets Garrett Sutton 2021-02-09 Deceptive misinformation comes at us for many reasons. A key one is to steal our assets. We are free to communicate and stay connected in many ways. This great benefit, however, is now abused by criminal elements to take and defraud, bringing shame on trusting souls. The wreckage wrought by cyber criminality is not only financial but highly emotional. Lives are lost to depression and suicide. Don't let this happen to you or your family. *Scam Proof Your Assets: Guarding Against Widespread Deception* gives you the tools and context for protecting yourself. Unlike other sources, *Scam Proof Your Assets* teaches you the patterns to look for, including greed and fear, 'expert' positioning and charm as manipulation. With knowledge comes self-defense. *Scam Proof Your Assets* also keenly analyzes the marks that criminals target, which include the well educated and normally skeptical. If you think you'd never be a target, think again. Everyone needs the strategies set forth in this book. Now and into the future you must keep your guard up against the relentless predators' assault. Get your guard up with *Scam Proof Your Assets*.

Rich Dad's Advisors: Guide to Investing In Gold and Silver Michael Maloney 2008-08-28 "Throughout the ages, many things have been used as currency: livestock, grains, spices, shells, beads, and now paper. But only two things have ever been money: gold and silver. When paper money becomes too abundant, and thus loses its value, man always turns back to precious metals. During these times there is always an enormous wealth transfer, and it is within your power to transfer that wealth away from you or toward you." --Michael Maloney, precious metals investment expert and historian; founder and principal, Gold & Silver, Inc. *The Advanced Guide to Investing Gold and Silver* tells readers: The essential history of economic cycles that make gold and silver the ultimate monetary standard. How the U.S. government is driving inflation by diluting our money supply and weakening our purchasing power Why precious metals are one of the most profitable, easiest, and safest investments you can make Where, when, and how to invest your money and realize maximum returns, no matter what the economy's state Essential advice on avoiding the middleman and taking control of your financial destiny by making your investments directly.

Veil Not Fail Garrett Sutton 2022-04-19 "A concise but thorough introduction to strategically protecting personal assets from corporate liability." - Kirkus Reviews When a business owner or shareholder is held personally liable for a business's debts, that's called "piercing the corporate veil" - and it happens in nearly half of all lawsuits against single-member and small corporations and limited liability companies (LLCs). Garrett Sutton, Esq. is a corporate legal expert and the personal asset protection attorney for Rich Dad founder Robert Kiyosaki. In *Veil Not Fail*, he shares the critical information business owners, entrepreneurs, investors, and high-wealth individuals need to set up and maintain secure corporate entities to protect themselves from personal legal exposure. With case studies and clear legal guidance, Sutton will help make sure you and your business are not at risk. Learn how to: Protect your personal finances and assets from business attack Use corporate entities like LLCs and corporations to reduce your personal liability in the event of a lawsuit Stay above board and avoid sham and alter ego determinations in court Understand the rules and corporate formalities you need to follow to keep your legal entities in good standing *Veil Not Fail* is a straightforward guide to corporate governance and financial risk mitigation for anyone who owns a business, property, or other investments - or for anyone looking to. With his signature candid and easy-to-understand style, Sutton gives you the information you need to better defend yourself and your company, and more importantly, reduce the risk of a lawsuit in the first place.

Start Your Own Corporation Garrett Sutton 2013-02-28 We live in a highly litigious world. As you live your life you must keep your guard up. As you grow your wealth you must protect it. For those who don't predators await, and their attorneys will use every trick in the toolbox to get at - whether large or small- your unprotected assets. *Start Your Own Corporation* educates you on an action plan to protect your life's gains. Corporate attorney and best selling author Garrett Sutton clearly explains the all too common risks of failing to protect yourself and the strategies for limiting your liability going forward. The information is timely, accessible and applicable to every citizen in every situation. Garrett Sutton has spent the last thirty years protecting clients' assets and implementing corporate structures to limit liability. This significant experience shines through in a very readable book on the why to's and how to's for achieving asset protection. *Start Your Own Corporation* teaches how to select between corporations and LLCs and how to use Nevada and Wyoming entities to your maximum advantage. This non-technical and easy to understand book also educates on the importance of following corporate formalities, using business tax deductions and building business credit. Rich Dad Poor Dad author Robert Kiyosaki says, "Start Your Own Corporation is a must read for anyone with any assets to protect."

Run Your Own Corporation Garrett Sutton 2013-02-28 "I've set up my corporation. Now what do I do?" All too often business owners and real estate investors are asking this question. They have formed their protective entity - be it a corporation, LLC or LP - and don't know what to do next. "Run Your Own Corporation" provides the solution to this very common dilemma. Breaking down the requirements chronologically (ie the first day, first quarter, first year) the book sets forth all the tax and corporate and legal matters new business owners must comply with. Written by Rich Dad's Advisor Garrett Sutton, Esq., who also authored the companion edition "Start Your Own Corporation", the book clearly identifies what must be done to properly maintain and operate your corporation entity. From the first day, when employer identification numbers must be obtained in order to open up a bank account, to the fifth year when trademark renewals must be filed, and all the requirements in between, "Run Your Own Corporation" is a unique resource that all business owners and investors must have. Rich Dad/Poor Dad author Robert Kiyosaki states, "Run Your Own Corporation is the missing link for most entrepreneurs. They've set up their entity, but don't know the next steps. Garrett Sutton's book provides valuable information needed at the crucial start up phase of operations. It is highly recommended reading." When "Start Your Own Corporation" is combined with "Run Your Own Corporation" readers have a two book set that offers the complete corporate picture.
