face2face is the flexible, easy-to-teach General English course that helps adults and young adults to speak and listen with confidence. face2face is informed by Cambridge English Corpus and its vocabulary syllabus has been mapped to the English Vocabulary Profile, meaning students learn the language they really need at each CEFR level. The course improves students' listening skills by drawing their attention to the elements of spoken English that

are difficult to understand. The free DVD-ROM in the Student's Book includes consolidation activities and electronic portfolio for learners to track their progress with customisable tests and grammar and vocabulary reference sections.

New Book Design Roger Fawcett-Tang 2004-05-25 New Book Design showcases the most interesting, influential, and accomplished book designs from the last ten years. It features over 100 titles published around the world, each chosen for their outstanding design qualities, from the publications of large mainstream publishers to those of small independent companies -- and even those from individual artists. Included in its pages are lavishly produced books with unconventional formats and unusual print techniques as well as less flamboyant publications produced for various different markets. A wide variety of books are featured, from paperback novels to architectural monographs, from text-based to profusely-illustrated books. Divided into four main sections -- "Packaging," "Navigation," "Layout," and "Specification" -- the book examines each facet

of book design: cover design; contents and structure; image usage; grids; typography; paper; printing; and binding. Clear photography captures each featured book, and interviews with prominent book designers, art directors, and publishers provide extra insight. New Book Design is sure to provide a rich source of inspiration to book designers and bibliophiles alike.
