Rescue Team Candace Calvert 2013 Tired of running from her past, nurse Kate Callison intends to become Austin Grace Hospital's permanent ER director and make Texas her home. But an unthinkable tragedy wraps the ER in crime tape, bringing swarms of media, legal chaos--and a hero who meddles in her life.

The Crisis Team Collection: By Your Side / Step by Step / Maybe It's You Candace Calvert 2019-12-03 This collection bundles all three of Candace Calvert's Crisis Team novels into one e-book for a great value! *By Your Side* ER nurse Macy Wynn learned essential, gritty lessons in the California foster care system: land

on your feet and trust no one. She's finally located the fellow foster child she loves like a sister, but the girl's in deep trouble. Macy's determined to help, no matter what it takes. Her motto is to "make it happen" in any situation life throws at her—even when she butts heads with an idealistic cop. Deputy Fletcher Holt believes in a higher plan, the fair outcome—and his ability to handle that by himself if necessary. Now he's been yanked from Houston, his mother is battling cancer, and he's attracted to a strong-willed nurse who could be the target of a brutal sniper. When everything goes wrong, where do they put their trust? *Step By Step* Three years after a tragic accident left her a widow, ER nurse Taylor Cabot is determined to move on, checking off one item after another on her survival list. Her relationship with a handsome

plastic surgeon even gives her hope for the last point—"fall in love again." At least until crisis chaplain Seth Donovan steps back into her life, reawakening unanswered questions about her husband's death. While in San Diego to train community volunteers, Seth hopes to learn why Taylor is backing away from the crisis team and from their friendship. But nothing prepares him for the feelings that arise when he sees Taylor again . . . and sees her moving on with another man. When a community crisis hits home and puts lives at risk, emotions run high and buried truths are unearthed. Will hope make the survival list? Maybe It's You ER nurse Sloane Ferrell escaped her risky past—new name, zip code, job, and a fresh start. She's finally safe, if she avoids a paper trail and doesn't let people get too close. Like the hospital's too-smooth marketing man with his relentless campaign to plaster one "lucky" employee's face on freeway billboards. Micah Prescott's goal is to improve the Hope hospital image, but his role as a

volunteer crisis responder is closer to his heart. The selfless work helps fill a void in his life left by family tragedy. So does a tentative new relationship with the compassionate, beautiful, and elusive Sloane Ferrell. Then a string of brutal crimes makes headlines, summons responders . . . and exposes disturbing details of Sloane's past. Can hope spring from crisis? *The Grace Medical Collection: Trauma Plan / Rescue Team / Life Support* Candace Calvert 2016-09-26 This collection bundles all three novels from author Candace Calvert's exciting Grace Medical series into one e-book for a great value! Trauma Plan Sidelined by injuries from a vicious assault, chaplain Riley Hale is determined to return to her former duties as an ER nurse. But how can she show she's competent when the hospital won't let her attempt even simple tasks? Determined to prove herself, Riley volunteers at a controversial urban free clinic despite her fears about the maverick doctor in charge. Dr. Jack Travis defends his

clinic like he's commander of the Alamo. He'll fight the community's efforts to shut its doors, even if he must use Riley Hale's influential family name to make it happen. As Riley strives to regain her skills, Jack finds that she shares his compassion—and stirs his lonely heart. Riley senses that beneath Jack's rough exterior is a man she can believe in. But when clinic protests escalate and questions surface about his past, Jack goes into battle mode and Riley wonders if it's dangerous to trust him with her heart. Rescue Team Tired of running from her past, nurse Kate Callison intends to become Austin Grace Hospital's permanent ER director and make Texas her home. Despite staff friction, she's moving ahead. Then unthinkable tragedy wraps the ER in crime tape, bringing swarms of media, legal chaos—and a search-and-rescue hero who seems determined to meddle in her life. For Wes Tanner, nothing beats finding someone who's lost; he's known that helpless terror firsthand. So he'll expand his team's

lifeline of hope: K9 tracking, swift water rescue, even horse-mounted searches. He's ready for anything—except Austin Grace's prickly and dismissive ER director. As Kate and Wes discover more about each other, new respect becomes something deeper. Kate wonders if her heart might have finally found a home. Then an unsolved missing persons case—and a startling new one—become catalysts that threaten the loss of all she and Wes have found. Life Support Nurse Lauren Barclay put her life on hold to keep a watchful eye on her troubled sister. It's why she's back in Houston. But that means confronting the brooding physician assistant who caused painful turmoil in her family—and left Lauren with memories her heart can't forget. PA and single parent Elijah Landry is no stranger to stormy relationships, including one with his father, who is threatening him with a restraining order. It won't stop Eli from protecting his disabled brother—or from making peace with Lauren. He wants that and so much

more. But as Lauren and Eli draw closer, a powerful hurricane roars toward Houston. Survival instincts take priority and everything changes. Can hope weather the storm?
